EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order imposes a provisional charge in respect of an anti-dumping duty on imports of certain stainless steel as described in the Order, originating in Spain.

The making of the Order enables the Commissioners of Customs and Excise to require security for the payment of any anti-dumping duty which may be imposed retrospectively on such imports under section 8(1) of the Customs Duties (Dumping and Subsidies) Act 1969. If any duty is imposed retrospectively, it may only be so imposed on goods imported while the Order is in force, and its rate may not exceed the rate mentioned in the Schedule to the Order.

The Order expires automatically after three months unless previously revoked or extended (for not more than three months) by a further Order.
