## The Industrial Training Levy (Petroleum) Order 1976

<i>Made</i>	- - -	21st January 1976
<i>Laid before Parliament</i>		2nd February 1976
<i>Coming into Operation</i>		25th February 1976

Whereas proposals made by the Petroleum Industry Training Board for the raising and collection of a levy have been submitted to, and approved by, the Manpower Services Commission under section 7 of the Industrial Training Act 1964(a) ("the 1964 Act"), as amended by section 6 of and Schedule 2 to the Employment and Training Act 1973(b) ("the 1973 Act") and have thereafter been submitted by the said Commission to the Secretary of State under section 7(1C) of the 1964 Act as inserted by the 1973 Act;

And whereas in pursuance of section 7(1A)(a) of the 1964 Act as inserted by the 1973 Act the said proposals include provision for the exemption from the levy of employers who, in view of the small number of their employees, ought in the opinion of the Secretary of State to be exempted from it;

And whereas the Secretary of State estimates that the amount which, disregarding any exemptions, will be payable by virtue of this Order by any employer in the petroleum industry, does not exceed an amount which the Secretary of State estimates is equal to one per cent. of the aggregate of the emoluments and payments intended to be disbursed as emoluments which have been paid or are payable by any such employer to or in respect of persons employed in the industry, in respect of the period specified in the said proposals as relevant, that is to say the period of twelve months that commenced on 1st June 1974;

And whereas the Secretary of State is satisfied that proposals published by the said Board in pursuance of section 4A of the 1964 Act, as inserted by the 1973 Act, provide for exemption certificates relating to the levy in such cases as he considers appropriate;

Now, therefore, the Secretary of State in exercise of the powers conferred by section 4 of the 1964 Act, as amended by section 6 of and Schedule 2 to the 1973 Act, and of all other powers enabling him in that behalf hereby makes the following Order:—

(6) The Interpretation Act 1889(a) shall apply to the interpretation of this Order as it applies to the interpretation of an Act of Parliament.

#### *Imposition of the levy*

3.—(1) The levy to be imposed by the Board on employers in respect of the seventh levy period shall be assessed in accordance with the provisions of this Article.

(2) The levy shall be assessed by the Board separately in respect of each relevant establishment (that is to say, each petroleum establishment other than one which is exempted by an exemption certificate or one which is an establishment of an employer who is exempted by virtue of paragraph (5) of this Article), but in agreement with the employer one assessment may be made in respect of any number of relevant establishments, in which case those establishments shall be deemed for the purpose of that assessment to constitute one establishment.

(3) Subject to the provisions of this Article, the levy in respect of a petroleum establishment of an employer shall be assessed by reference to the average number of the persons employed at or from the establishment by the employer as follows—

- (a) where the said average number of persons exceeded ten but did not exceed twenty, by multiplying the sum of £10 by that average number and by subtracting from the amount so obtained the sum of £60; or
- (b) where the said average number of persons exceeded twenty, by multiplying the sum of £7 by the said average number of persons.

(4) The amount of the levy imposed in respect of a petroleum establishment that ceases to carry on business in the seventh levy period shall be in the same proportion to the amount that would otherwise be due under paragraph (3) of this Article as the number of days between the commencement of the said levy period and the date of cessation of business (both dates inclusive) bears to the number of days in the said levy period.

(5) There shall be exempt from the levy—

- (a) an employer in whose case the average number of all the persons employed by him at or from the petroleum establishment or establishments of the employer (including any persons employed at or from a petroleum establishment by an associated company of the employer) was less than eleven;
- (b) a charity.

#### *Assessment notices*

4.—(1) The Board shall serve an assessment notice on every employer assessed to the levy, but one notice may comprise two or more assessments.

(2) An assessment notice shall state the Board's address for the service of a notice of appeal or of an application for an extension of time for appealing.

(3) An assessment notice may be served on the person assessed to the levy either by delivering it to him personally or by leaving it, or sending it to him by post, at his last known address or place of business in the United Kingdom or, if that person is a corporation, by leaving it, or sending it by post to the corporation, at such address or place of business or at its registered or principal office.

#### *Payment of the levy*

5.—(1) Subject to the provisions of this Article and of Articles 6 and 7, the amount of the levy payable under an assessment notice served by the Board shall be due and payable to the Board one month after the date of the notice.

(2) The amount of an assessment shall not be recoverable by the Board until there has expired the time allowed for appealing against the assessment by Article 7(1) of this Order and any further period or periods of time that the Board or an appeal tribunal may have allowed for appealing under paragraph (2) or (3) of that Article, or, where an appeal is brought, until the appeal is decided or withdrawn.

#### *Withdrawal of assessment*

6.—(1) The Board may, by a notice served on the person assessed to the levy in the same manner as an assessment notice, withdraw an assessment if

that person has appealed against that assessment under the provisions of Article 7 of this Order and the appeal has not been entered in the Register of Appeals kept under the appropriate Regulations specified in paragraph (5) of that Article.

(2) The withdrawal of an assessment shall be without prejudice to the power of the Board to serve a further assessment notice in respect of any establishment to which that assessment related and, where the withdrawal is made by reason of the fact that an establishment has ceased to carry on business in the seventh levy period, the said notice may provide that the whole amount payable thereunder in respect of the establishment shall be due one month after the date of the notice.

#### *Appeals*

7.—(1) A person assessed to the levy may appeal to an appeal tribunal against the assessment within one month from the date of the service of the assessment notice or within any further period or periods of time that may be allowed by the Board or an appeal tribunal under the following provisions of this Article.

(2) The Board by notice may for good cause allow a person assessed to the levy to appeal to an appeal tribunal against the assessment at any time within the period of four months from the date of the service of the assessment notice or within such further period or periods as the Board may allow before such time as may then be limited for appealing has expired.

(3) If the Board shall not allow an application for extension of time for appealing an appeal tribunal shall upon application made to the tribunal by the person assessed to the levy have the like powers as the Board under the last foregoing paragraph.

(4) In the case of an establishment that ceases to carry on business in the seventh levy period on any day after the date of the service of the relevant assessment notice the foregoing provisions of this Article shall have effect as if for the period of four months from the date of the service of the assessment notice mentioned in paragraph (2) of this Article there were substituted the period of six months from the date of the cessation of business.

(5) An appeal or an application to an appeal tribunal under this Article shall be made in accordance with the Industrial Tribunals (England and Wales) Regulations 1965(a) as amended by the Industrial Tribunals (England and Wales) (Amendment) Regulations 1967(b), except where the establishment to which the relevant assessment relates is wholly in Scotland, in which case the appeal or application shall be made in accordance with the Industrial Tribunals (Scotland) Regulations 1965(c) as amended by the Industrial Tribunals (Scotland) (Amendment) Regulations 1967(d).

(6) The powers of an appeal tribunal under paragraph (3) of this Article may be exercised by the President of the Industrial Tribunals (England and Wales) or by the President of the Industrial Tribunals (Scotland) as the case may be.
