3.—(1) An industrial assurance company or collecting society may by resolution of its board of directors or, as the case may be, of its committee of management, passed before 1st October 1978, adopt—

- (a) the prescribed scheme, or
- (b) an approved scheme

for the purpose of securing that in the case of policies or contracts to which the scheme so adopted applies amounts equal to 17½ per cent of the premiums payable are retained by or refunded to the persons paying the premiums.

(2) Where an industrial assurance company or collecting society has adopted any such scheme amounts equal to 17½ per cent of the premiums payable under policies or contracts to which the scheme applies shall be retained by or refunded to the persons paying the premiums as provided in the scheme so adopted.

(3) Written notice of a resolution adopting the prescribed or an approved scheme shall within fourteen days of the passing thereof be sent by the industrial assurance company or collecting society to the Industrial Assurance Commissioner.

4.—(1) A resolution adopting the prescribed scheme may provide that in respect of any specified class of policy or contract issued or made by the company or society before 6th April 1979 to which the scheme applies under which the premium does not exceed £4 every four weeks the premium shall be increased with effect from that date to such sum as after deduction of 17½ per cent thereof equals the amount expressed in the policy or contract to be the premium.

(2) Where such provision is made the resolution shall operate so as to effect the above mentioned increase in the premium payable under every policy or contract of a class to which the provision relates, and the prescribed scheme shall take effect accordingly.

Corresponding increase in sum assured

5.—(1) Where an increase in premium has been effected under regulation 4 the sum assured or guaranteed by the policy or contract under which the increased premium is payable shall be increased by an amount determined in accordance with rules which have been certified by an actuary to be fair

6.—(1) Where an industrial assurance company or collecting society has adopted the prescribed scheme by a resolution making such provision as is referred to in regulation 4(1), the person insured under a policy or contract of a class specified in the provision which was issued or made before 6th April 1979 and under which the premium exceeds £4 every four weeks may before that date irrevocably elect, in the form set out in Schedule 2 to these Regulations or in a form to the like effect, that the premium under the contract under which he is insured shall be increased with effect from 6th April 1979 to such sum as is mentioned in regulation 4(1).

(2) Where such election has been made the increase in premium shall be effective as from 6th April 1979 as if it had been effected under regulation 4(2), and regulation 5 shall apply in respect of an increase in premium under this regulation as it applies in relation to an increase under regulation 4.

The Industrial Assurance Commissioner may before 1st October 1978 approve a special scheme intended to be adopted by an industrial assurance company or collecting society for the purposes mentioned in regulation 3 if in his opinion, in view of the manner in which the business of the company or society is conducted, or any other relevant matter, it is expedient that the special scheme should be adopted.

Notice to premium payers

8. Every industrial assurance company and collecting society shall take all reasonable steps to ensure that every person who on 31st December 1978 is paying premiums under an industrial assurance or collecting society contract made by it receives a notice in a form approved by the Industrial Assurance Commissioner setting out—

- (a) the effect of these Regulations,
- (b) whether the company or society has adopted the prescribed or an approved scheme, and
- (c) the effect of the scheme which has been adopted;

and, as regards contracts made between 1st January 1979 and 5th April 1979, that such notice is received by the prospective premium payer before the contract is made.

a policy effected on the next anniversary date of the policy after 6th April 1979 for the then unexpired term of the policy.

The Industrial Assurance and Friendly Societies Act 1929(1)

3. In the Schedule to the Industrial Assurance and Friendly Societies Act 1929 the words “premiums actually paid”, in their application to a policy in respect of which under the prescribed scheme or an approved scheme payment of any premium due has been discharged by payment of 82½ per cent of that premium, shall include premiums in respect of which such payment has been made.

4. In its application to a policy of which the sum assured or guaranteed has been increased under regulations 5 or 6, paragraph 1 of the said Schedule shall have effect subject to the following modifications:—

- (a) For the purpose of calculating the amount assured by the free paid up policy the sum assured by the surrendered policy shall be divided into the original sum assured and the increase in the sum assured, any addition to the sum assured by the surrendered policy by way of bonus on or after 6th April 1979 to be allocated proportionately between and to be treated as comprised in the original sum assured and the increase in the sum assured respectively.
- (b) The amount assured by the free policy shall consist of the aggregate of proportions of the original sum assured and of the increase in the sum assured calculated as follows:—
 - (i) The proportion of the original sum assured shall be the same proportion as the amount of the original premiums actually paid bears to the amount of the original premiums which would have been payable under the surrendered policy had the full number of original premiums become payable thereunder;
 - (ii) The proportion of the increase in the sum assured shall be the same proportion as the amount of the increase in premiums actually paid bears to the amount of the increase in premiums which would have been payable under the surrendered policy had the full number of increases in premium become payable thereunder.

5. For the purposes of sub-paragraph (b)(i) of the preceding paragraph and this paragraph
- “the original premiums” means the premiums of the amount payable under the policy before the increase in premium was effected under regulations 4(1) or 6(2), including, in respect of premiums paid, or which would have been payable, after 6th April 1979, payments of that amount included in premiums paid, or which would have been payable, after that date;
- “the original sum assured” means the sum (including any addition by way of bonus) assured or guaranteed under the surrendered policy on 6th April 1979 before the increase under regulations 5 or 6 takes effect, together with any addition made thereto in respect of the due proportion of any bonus added on or after 6th April 1979;
- “the amount of the increase in the sum assured” means the sum assured by the surrendered policy in so far as it exceeds the original sum assured as at 6th April 1979, together with any addition made thereto in respect of the due proportion of any bonus added on or after 6th April 1979.

The Industrial Assurance and Friendly Societies Act 1948

6. For the purpose of subsection (2) of section 2 of the Industrial Assurance and Friendly Societies Act 1948 (power to insure life of parent or grandparent for not more than £30) there shall be excluded so much of any sum insured to be paid, or paid, on the death of any one of a person's

parents or grandparents as represents any increase in any sum assured or guaranteed effected under regulations 5 or 6.

The Reserve and Auxiliary Forces (Protection of Civil Interests) Act 1951

7. Subsection (3) of section 56 of the Reserve and Auxiliary Forces (Protection of Civil Interests) Act 1951, as it applies to an industrial assurance contract or a collecting society contract of which the sum assured or guaranteed has been increased under regulations 5 or 6 and which is a contract for the whole term of life, shall have effect as if it provided that the terms of the contract shall be varied in accordance with the following provisions—

- (a) The relevant arrears shall be extinguished by a reduction of the sum assured or guaranteed under the policy, the amount of the reduction to be such an amount as shall be determined by an actuary.
- (b) The industrial assurance company or collecting society shall at the time for writing off give written notice to the owner of the policy of the amount of the reduction so determined.
- (c) The owner of the policy may, within six months of receiving such notice, appeal to the Industrial Assurance Commissioner on the ground that such reduction is not fair in relation to the amount of the extinguished relevant arrears.
- (d) If on such appeal, and after giving the owner of the policy and the company or society an opportunity of being heard, the Industrial Assurance Commissioner is satisfied that the reduction is not fair, he may direct the company or society to make such increase as he may consider appropriate in the sum assured or guaranteed to which the appeal relates.

Friendly Societies Act 1974

8. In applying the limits imposed by section 64 of the Friendly Societies Act 1974 (limits on amounts which a member, or person claiming through a member, of a registered friendly society is entitled to receive from one or more such societies) there shall be disregarded any increase in any sum assured or guaranteed which is effected under regulations 5 or 6.

9. For the purposes of section 72 of the Friendly Societies Act 1974 (power of registered friendly societies to insure life of parent or grandparent for not more than £30) there shall be excluded so much of any sum insured to be paid, or paid, on the death of any one of a person's parents or grandparents as represents any increase in any sum assured or guaranteed which is effected under regulations 5 or 6.

EXPLANATORY NOTE

These Regulations authorise industrial assurance companies and collecting societies to adopt a prescribed scheme, or any special scheme approved by the Industrial Assurance Commissioner, under which tax relief under section 19 of the Income and Corporation Taxes Act 1970 in respect of premiums paid after 6th April 1979 on policies of industrial assurance, and on other policies issued by collecting societies, may be effected by the premium payer retaining or having refunded to him 17½ per cent of the premiums payable.

The Regulations contain incidental provisions, and make consequential adaptations and modifications to enactments relating to industrial assurance and friendly societies.
