Prohibition of landing of hay and straw

3.—(1) Subject to article 4 of this order, the landing in Great Britain of any hay or straw from a place outside Great Britain is hereby prohibited except under the authority of a licence in writing issued by the appropriate Minister and in accordance with the conditions of that licence.

(2) A licence may be either general or specific and may, in either case, be issued subject to such conditions specified therein as the appropriate Minister may see fit to impose for the purpose of preventing the introduction or spreading of disease into or within Great Britain.

(3) A general licence shall be issued by the publication of it in such manner and to such extent as appears to the appropriate Minister to be sufficient to bring it to the notice of those persons likely to be affected by it.

(4) The appropriate Minister may vary, revoke or suspend a licence—

The prohibition does not apply to the landing of hay or straw being used for packing merchandise or to goods manufactured from straw or to esparto grass. Article 5 confers powers on inspectors appointed under the Diseases of Animals Act 1950 to ensure that hay or straw landed in contravention of the Order is either destroyed or exported and article 8 makes the deliberate contravention of the Order an indictable offence.
