EXPLANATORY NOTE

(This Note is not part of the Order.)

The Anglian Water Authority Constitution Order 1973 defined the constitution of the Anglian Water Authority, one of the ten regional water authorities established for England and Wales under the Water Act 1973, and provided that the Authority should consist of thirty-five members, of whom nine were to be appointed by county councils specified in the order and nine by groups of district councils so specified.

This order amends the 1973 order so as to provide that the Anglian Water Authority shall consist of thirty-six members, of whom nine are to be appointed by specified county councils and ten by specified groups of district councils.

The terms of office of existing members of the Authority are not affected by this order. The member appointed to fill the place newly created by the order will come into office (subject to paragraph 4(3) of Schedule 3 to the Water Act 1973) on 1st June 1979 and will hold office for a term of four years.
