EXPLANATORY NOTE

These Regulations amend the Non-Marketing of Milk and Milk Products and the Dairy Herd Conversion Premiums Regulations 1977. The 1977 Regulations supplement certain regulations therein defined as “the Regulation of the Council” and “the Regulation of the Commission”, which establish schemes for a system of premiums for the non-marketing of milk and milk products and for the conversion of dairy herds, by providing certain enforcement powers such as powers relating to entry on premises, inspection and the recovery of premiums. The regulations establishing the schemes have been extended, revised or superseded by subsequent regulations and the present amending Regulations take account of this by amending the definition “the Regulation of the Council” in the 1977 Regulations by including references to amending regulations and by amending the definition “the Regulation of the Commission” by substituting references to current regulations relating to the Schemes.
