7. “loss of or damage to luggage” includes pecuniary loss resulting from the luggage not having been re-delivered to the passenger within a reasonable time after the arrival of the ship on which the luggage has been or should have been carried, but does not include delays resulting from labour disputes;
8. “carriage” covers the following periods:
 - (a) with regard to the passenger and his cabin luggage, the period during which the passenger and/or his cabin luggage are on board the ship or in the course of embarkation or disembarkation, and the period during which the passenger and his cabin luggage are transported by water from land to the ship or vice-versa, if the cost of such transport is included in the fare or if the vessel used for the purpose of auxiliary transport has been put at the disposal of the passenger by the carrier. However, with regard to the passenger, carriage does not include the period during which he is in a marine terminal or station or on a quay or in or on any other port installation;

- (b) with regard to cabin luggage, also the period during which the passenger is in a marine terminal or station or on a quay or in or on any other port installation if that luggage has been taken over by the carrier or his servant or agent and has not been re-delivered to the passenger;

Application

1. This Convention shall apply to any international carriage if:
 - (a) the ship is flying the flag of or is registered in a State Party to this Convention, or

ARTICLE 3

Liability of the carrier

1. The carrier shall be liable for the damage suffered as a result of the death of or personal injury to a passenger and the loss of or damage to luggage if the incident which caused the damage so suffered occurred in the course of the carriage and was due to the fault or neglect of the carrier or of his servants or agents acting within the scope of their employment.

3. Fault or neglect of the carrier or of his servants or agents acting within the scope of their employment shall be presumed, unless the contrary is proved, if the death of or personal injury to the passenger or the loss of or damage to cabin luggage arose from or in connection with the shipwreck, collision, stranding, explosion or fire, or defect in the ship. In respect of loss of or damage to other luggage, such fault or neglect shall be presumed, unless the contrary is proved, irrespective of the nature of the incident which caused the loss or damage. In all other cases the burden of proving fault or neglect shall lie with the claimant.

ARTICLE 4

Performing carrier

1. If the performance of the carriage or part thereof has been entrusted to a performing carrier, the carrier shall nevertheless remain liable for the entire carriage according to the provisions of this Convention. In addition, the performing carrier shall be subject and entitled to the provisions of this Convention for the part of the carriage performed by him.

5. Nothing in this Article shall prejudice any right of recourse as between the carrier and the performing carrier.

ARTICLE 5

Valuables

The carrier shall not be liable for the loss of or damage to monies, negotiable securities, gold, silverware, jewellery, ornaments, works of art, or other valuables, except where such valuables have been deposited with the carrier for the agreed purpose of safe-keeping in which case the carrier shall be liable up to the limit provided for in paragraph 3 of Article 8 unless a higher limit is agreed upon in accordance with paragraph 1 of Article 10.

ARTICLE 6

Contributory fault

If the carrier proves that the death of or personal injury to a passenger or the loss of or damage to his luggage was caused or contributed to by the fault or neglect of the passenger, the court seized of the case may exonerate the carrier wholly or partly from his liability in accordance with the provisions of the law of that court.

ARTICLE 7

Limit of liability for personal injury

1. The liability of the carrier for the death of or personal injury to a passenger shall in no case exceed 700,000 francs per carriage. Where in accordance with the law of the court seized of the case damages are awarded in the form of periodical income payments, the equivalent capital value of those payments shall not exceed the said limit.

francs per passenger in the case of loss of or damage to other luggage, such sum to be deducted from the loss or damage.

ARTICLE 9

Monetary unit and conversion

1. The franc mentioned in this Convention shall be deemed to refer to a unit consisting of 65·5 milligrams of gold of millesimal fineness 900.

2. The amounts referred to in Articles 7 and 8 shall be converted into the national currency of the State of the court seized of the case on the basis of the official value of that currency, by reference to the unit defined in paragraph 1 of this Article, on the date of the judgment or the date agreed upon by the parties.

ARTICLE 10

2. Interest on damages and legal costs shall not be included in the limits of liability prescribed in Articles 7 and 8.

ARTICLE 11

Defences and limits for carriers' servants

If an action is brought against a servant or agent of the carrier or of the performing carrier arising out of damage covered by this Convention, such servant or agent, if he proves that he acted within the scope of his employment, shall be entitled to avail himself of the defences and limits of liability which the carrier or the performing carrier is entitled to invoke under this Convention.

ARTICLE 12

Aggregation of claims

1. Where the limits of liability prescribed in Articles 7 and 8 take effect, they shall apply to the aggregate of the amounts recoverable in all claims arising out of the death of or personal injury to any one passenger or the loss of or damage to his luggage.

2. In relation to the carriage performed by a performing carrier, the aggregate of the amounts recoverable from the carrier and the performing carrier and from their servants and agents acting within the scope of their employment shall not exceed the highest amount which could be awarded against either the carrier or the performing carrier under this Convention, but none of the persons mentioned shall be liable for a sum in excess of the limit applicable to him.

3. In any case where a servant or agent of the carrier or of the performing carrier is entitled under Article 11 of this Convention to avail himself of the limits of liability prescribed in Articles 7 and 8, the aggregate of the amounts recoverable from the carrier, or the performing carrier as the case may be, and from that servant or agent, shall not exceed those limits.

ARTICLE 13

Loss of right to limit liability

1. The carrier shall not be entitled to the benefit of the limits of liability prescribed in Articles 7 and 8 and paragraph 1 of Article 10, if it is proved that the damage resulted from an act or omission of the carrier done with the intent to cause such damage, or recklessly and with knowledge that such damage would probably result.

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format. The electronic version of this UK Statutory Instrument has been contributed by Westlaw and is taken from the printed publication. **Read more***

2. The servant or agent of the carrier or of the performing carrier shall not be entitled to the benefit of those limits if it is proved that the damage resulted from an act or omission of that servant or agent done with the intent to cause such damage, or recklessly and with knowledge that such damage would probably result.

ARTICLE 14

Basis for claims

No action for damages for the death of or personal injury to a passenger, or for the loss of or damage to luggage, shall be brought against a carrier or performing carrier otherwise than in accordance with this Convention.

ARTICLE 15

Notice of loss or damage to luggage

1. The passenger shall give written notice to the carrier or his agent:
 - (a) in the case of apparent damage to luggage:
 - (i) for cabin luggage, before or at the time of disembarkation of the passenger;
 - (ii) for all other luggage, before or at the time of its re-delivery;
 - (b) in the case of damage to luggage which is not apparent, or loss of luggage, within fifteen days from the date of disembarkation or re-delivery or from the time when such re-delivery should have taken place.
2. If the passenger fails to comply with this Article, he shall be presumed, unless the contrary is proved, to have received the luggage undamaged.
3. The notice in writing need not be given if the condition of the luggage has at the time of its receipt been the subject of joint survey or inspection.

ARTICLE 16

Time-bar for actions

1. Any action for damages arising out of the death of or personal injury to a passenger or for the loss of or damage to luggage shall be time-barred after a period of two years.
2. The limitation period shall be calculated as follows:
 - (a) in the case of personal injury, from the date of disembarkation of the passenger;
 - (b) in the case of death occurring during carriage, from the date when the passenger should have disembarked, and in the case of personal injury occurring during carriage and resulting in the death of the passenger after disembarkation, from the date of death, provided that this period shall not exceed three years from the date of disembarkation;
 - (c) in the case of loss of or damage to luggage, from the date of disembarkation or from the date when disembarkation should have taken place, whichever is later.
3. The law of the court seized of the case shall govern the grounds of suspension and interruption of limitation periods, but in no case shall an action under this Convention be brought after the expiration of a period of three years from the date of disembarkation of the passenger or from the date when disembarkation should have taken place, whichever is later.
4. Notwithstanding paragraphs 1, 2 and 3 of this Article, the period of limitation may be extended by a declaration of the carrier or by agreement of the parties after the cause of action has arisen. The declaration or agreement shall be in writing.

ARTICLE 17

Competent jurisdiction

1. An action arising under this Convention shall, at the option of the claimant, be brought before one of the courts listed below, provided that the court is located in a State Party to this Convention:

- (b) the court of the place of departure or that of the destination according to the contract of carriage, or

- (d) a court of the State where the contract of carriage was made, if the defendant has a place of business and is subject to jurisdiction in that State.

2. After the occurrence of the incident which has caused the damage, the parties may agree that the claim for damages shall be submitted to any jurisdiction or to arbitration.

ARTICLE 18

Invalidity of contractual provisions

Any contractual provision concluded before the occurrence of the incident which has caused the death of or personal injury to a passenger or the loss of or damage to his luggage, purporting to relieve the carrier of his liability towards the passenger or to prescribe a lower limit of liability than that fixed in this Convention except as provided in paragraph 4 of Article 8, and any such provision purporting to shift the burden of proof which rests on the carrier, or having the effect of restricting the option specified in paragraph 1 of Article 17, shall be null and void, but the nullity of that provision shall not render void the contract of carriage which shall remain subject to the provisions of this Convention.

ARTICLE 19

Other conventions on limitation of liability

This Convention shall not modify the rights or duties of the carrier, the performing carrier, and their servants or agents provided for in international conventions relating to the limitation of liability of owners of seagoing ships.

ARTICLE 20

- (b) if the operator of a nuclear installation is liable for such damage by virtue of a national law governing the liability for such damage, provided that such law is in all respects as favourable to persons who may suffer damage as either the Paris or the Vienna Conventions.

7. Article 16 shall apply to an arbitration as it applies to an action; and section 27(3) and (4) of the Limitation Act 1939 (which determine when an arbitration is deemed to commence) shall apply for the purposes of article 16 as it applies for the purposes of that Act.

8. The court before which proceedings are brought in pursuance of article 17 to enforce a liability which is limited by virtue of article 12 may at any stage of the proceedings make such orders as appear to the court to be just and equitable in view of the provisions of article 12 and of any other proceedings which have been or are likely to be begun in Pitcairn or elsewhere to enforce the liability in whole or in part; and without prejudice to the generality of the preceding provisions of this paragraph such a court shall, where the liability is or may be partly enforceable in other proceedings in Pitcairn or elsewhere, have jurisdiction to award an amount less than the court would

have awarded if the limitation applied solely to the proceedings before the court or to make any part of its award conditional on the results of any other proceedings.

Other provisions adapting or supplementing the Convention

9. Any reference in the Convention to a contract of carriage excludes a contract of carriage which is not for reward.

10. If Her Majesty by Order in Council made by virtue of this paragraph as it applies in the United Kingdom declares that any State specified in the Order is a party to the Convention in respect of a particular country the Order shall, subject to the provisions of any subsequent Order made by virtue of this paragraph as it applies in the United Kingdom, be conclusive evidence that the State is a party to the Convention in respect of that country.

11. The Governor may by order make provision—

- (a) for requiring a person who is the carrier in relation to a passenger to give to the passenger, in a manner specified in the order, notice of such of the provisions of Part I of this Schedule as are so specified;
- (b) for a person who fails to comply with a requirement imposed on him by the order to be guilty of an offence and liable on summary conviction to a fine of an amount not exceeding £500.

12. Nothing in section 502 of the Merchant Shipping Act 1894 or section 18 of this Act (which among other things limit a ship-owner's liability for the loss or damage of goods in certain cases) shall relieve a person of any liability imposed on him by the Convention.

13. It is hereby declared that nothing in the Convention affects the operation of section 503 of the Merchant Shipping Act 1894 or section 17 of this Act (which limit a shipowner's liability in certain cases of loss of life, injury or damage).

PART III

3. Questions of procedure arising under the rules of this Article shall be decided in accordance with the national law of the State Party in which action is brought.

CHAPTER III

THE LIMITATION FUND

ARTICLE 11

Constitution of the fund

1. Any person alleged to be liable may constitute a fund with the Court or other competent authority in any State Party in which legal proceedings are instituted in respect of claims subject to limitation. The fund shall be constituted in the sum of such of the amounts set out in Articles 6 and 7 as are applicable to claims for which that person may be liable, together with interest thereon from the date of the occurrence giving rise to the liability until the date of the constitution of the fund. Any fund thus constituted shall be available only for the payment of claims in respect of which limitation of liability can be invoked.
2. A fund may be constituted, either by depositing the sum, or by producing a guarantee acceptable under the legislation of the State Party where the fund is constituted and considered to be adequate by the Court or other competent authority.
3. A fund constituted by one of the persons mentioned in paragraph 1(a), (b) or (c) or paragraph 2 of Article 9 or his insurer shall be deemed constituted by all persons mentioned in paragraph 1(a), (b) or (c) or paragraph 2, respectively.

ARTICLE 12

Distribution of the fund

1. Subject to the provisions of paragraphs 1 and 2 of Article 6 and of Article 7, the fund shall be distributed among the claimants in proportion to their established claims against the fund.
2. If, before the fund is distributed, the person liable, or his insurer, has settled a claim against the fund such person shall, up to the amount he has paid, acquire by subrogation the rights which the person so compensated would have enjoyed under this Convention.
3. The right of subrogation provided for in paragraph 2 may also be exercised by persons other than those therein mentioned in respect of any amount of compensation which they may have paid, but only to the extent that such subrogation is permitted under the applicable national law.
4. Where the person liable or any other person establishes that he may be compelled to pay, at a later date, in whole or in part any such amount of compensation with regard to which such person would have enjoyed a right of subrogation pursuant to paragraphs 2 and 3 had the compensation been paid before the fund was distributed, the Court or other competent authority of the State where the fund has been constituted may order that a sufficient sum shall be provisionally set aside to enable such person at such later date to enforce his claim against the fund.

ARTICLE 13

Bar to other actions

1. Where a limitation fund has been constituted in accordance with Article 11, any person having made a claim against the fund shall be barred from exercising any right in respect of such a claim against any other assets of a person by or on behalf of whom the fund has been constituted.

2. After a limitation fund has been constituted in accordance with Article 11, any ship or other property belonging to a person on behalf of whom the fund has been constituted, which has been arrested or attached within the jurisdiction of a State Party for a claim which may be raised against the fund, or any security given, may be released by order of the Court or other competent authority of such State. However, such release shall always be ordered if the limitation fund has been constituted:

- (a) at the port where the occurrence took place, or, if it took place out of port, at the first port of call thereafter; or
- (b) at the port of disembarkation in respect of claims for loss of life or personal injury; or
- (c) at the port of discharge in respect of damage to cargo; or
- (d) in the State where the arrest is made.

3. The rules of paragraphs 1 and 2 shall apply only if the claimant may bring a claim against the limitation fund before the Court administering that fund and the fund is actually available and freely transferable in respect of that claim.

ARTICLE 14

Governing law

Subject to the provisions of this Chapter the rules relating to the constitution and distribution of a limitation fund, and all rules of procedure in connection therewith, shall be governed by the law of the State Party in which the fund is constituted.

CHAPTER IV

This Convention shall apply wherever any person referred to in Article 1 seeks to limit his liability before the Court of a State Party or seeks to procure the release of a ship or other property or the discharge of any security given within the jurisdiction of any such State.

EXPLANATORY NOTE

This Order extends to Pitcairn certain provision of the Merchant Shipping Act 1979, with the necessary modifications. The extension of section 14 and Schedule 3 enables effect to be given to the Athens Convention relating to the Carriage of Passengers and their Luggage by Sea opened for signature on 13th December 1974 (Cmnd. 6326) and the Protocol thereto of 19th November 1976 (Cmnd. 6765). The extension of sections 17, 18 and 19(1) and Schedules 4 and 5 enables effect to be given to the Convention on Limitation of Liability for Maritime Claims opened for signature in London on 19th November 1976 (Cmnd. 7035). The extension of section 51 enables the Island Secretary of Pitcairn to charge for certificates issued in pursuance of the provisions of the Act. The Athens Convention contains uniform rules relating to the liability of carriers under contracts for the carriage of passengers and their luggage by sea and the Protocol thereto substitutes Special Drawing Rights for Gold Francs as the unit of account to be used in connection with the Convention. The Convention on Limitation of Liability for Maritime Claims lays down uniform rules relating to the liability of shipowners and salvors in respect of certain maritime claims.

The Act will come into force in respect of Pitcairn on a date to be appointed by the Governor in accordance with section 52(2)
