“the authorised percentage” means the percentage for the time being in force under paragraph 5(a) of Schedule 4 to the Finance Act 1976;

“the effective date” means the date on which a change in the authorised percentage takes effect;

“parent” includes a stepfather and a stepmother.

#### *Amendment of a scheme*

3.—(1) Where a friendly society has adopted the prescribed scheme or an approved scheme in accordance with the provisions of the 1977 Regulations the society may, by resolution of its committee of management passed within eight months of the passing of any Act making a change in the authorised percentage, amend any such scheme so that amounts equal to the authorised percentage of the gross contributions due and payable on or after the effective date under contracts to which the scheme applies shall be retained by or refunded to the persons paying the contributions.

(2) Where a friendly society has amended any such scheme, amounts equal to the authorised percentage of the gross contributions payable under contracts to which the scheme applies shall be retained by or refunded to the persons paying the contributions as provided in the scheme so amended.

(3) Written notice of a resolution amending the prescribed scheme or an approved scheme shall within fourteen days of the passing thereof be sent by the society to the Chief Registrar of Friendly Societies.

(4) Where a friendly society has resolved to amend the prescribed scheme or an approved scheme any right conferred by section 21 of the Friendly Societies Act 1974 on any person to receive a copy of the rules of the society shall be extended so as to include the right to receive a copy of the resolution and of the amended scheme adopted by the resolution.

#### *Amendment of gross contribution*

4.—(1) Where, by virtue of regulation 4 of the 1977 Regulations, a resolution adopting the prescribed scheme provided that the gross contribution was to be increased with effect from 6th April 1979 in respect of any specified class of contract, a resolution amending the prescribed scheme may also amend the gross contribution so that with effect from the effective date the gross contributions shall be amended to such sum as after deduction of the authorised percentage thereof equals the amount expressed in the contract to be the contribution.

(2) Where such an amendment is made, the resolution shall operate so as to effect the above mentioned amendment in the gross contribution payable under every contract of a class to which the provision relates, and the prescribed scheme as amended shall take effect accordingly.

#### *Corresponding amendment to sum assured*

5. Where a gross contribution has been amended under regulation 4, the sum assured or guaranteed by the contract may be amended by an amount determined in accordance with rules which have been certified by an actuary to be fair in relation to the gross contribution payable and have been approved by the Chief Registrar of Friendly Societies.

6. Where the gross contribution is amended in accordance with these Regulations, the Society shall, on being requested in writing after 5th April 1981 to do so by the person by whom the contribution is payable, notify him in writing of the amount of the effect of the amendment on the sum assured or guaranteed or of any other effect.

7. Where by virtue of regulation 6 of the 1977 Regulations a person insured under a contract irrevocably elected that the contribution under the contract under which he was insured should be

increased with effect from 6th April 1979, the amendment to the gross contribution shall apply as from the effective date as if it had been effected under regulation 4(2), and regulations 5 and 6 shall apply in respect of an amended contribution under this regulation as they apply in relation to an amendment under regulation 4.

*Amendment of approved scheme*

**8.** Where a friendly society adopted an approved scheme under regulation 7 of the 1977 Regulations the Chief Registrar of Friendly Societies may, within eight months of the passing of any Act making a change in the authorised percentage, approve any amendment to the scheme which in his view is expedient or necessary to give effect to the change in the authorised percentage.

**9.** Where a friendly society has, in accordance with the provisions of these regulations, amended the prescribed scheme or an approved scheme adopted by it, as soon as is reasonably practicable it shall either:
