These Regulations amend the Local Government (Rate Product) (Scotland) Regulations 1975 which provide for the determination of the product of a rate of one penny in the pound for any local authority in Scotland for the purpose of distribution of Government grants and of allocation of expenditure. The amendment (which is in place of the provisions of the Local Government (Rate Product) (Scotland) Amendment Regulations 1982) provides that in calculating the net rate income of a local authority for a year no account shall be taken of any additional cost of collection of rates arising from a determination of a lower rate under section 108A of the Local Government (Scotland) Act 1973 or from a determination or deemed determination of a lower rate under section 5 of the Local Government (Scotland) Act 1966.

^(a) Section 108A was inserted by section 15 of the Local Government (Miscellaneous Provisions) (Scotland) Act 1981 (c. 23).

^(b) 1966 c. 51; section 5 was amended by section 14 of the Local Government (Miscellaneous Provisions) (Scotland) Act 1981 and by section 1 of the Local Government and Planning (Scotland) Act 1982 (c. 43).
