EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These Regulations further amend the Agricultural or Forestry Tractors and Tractor Components (Type Approval) (Fees) Regulations 1979 so as to increase the fees payable for testing. The new rates reflect increases in costs since 1981 when the principal regulations were amended. The increases range between 3% and 15%, the norm being 8% for tests carried out at official testing stations and 9% for tests carried out at other premises.
