Commencement and citation

1. These Regulations may be cited as the Special Road (Llanddulas to Colwyn Bay) Regulations 1984 and as regards the length of special road specified in Schedule 1 shall come into operation on 7th December 1984 and as regards the length of special road specified in Schedule 2 shall come into operation on the date declared by a notice published by the Secretary of State to be the date on which that length is open for use as a special road, in the manner prescribed for the publication of notices under section 17(5) of the Act of 1984.

Interpretation

2.— (1) In these Regulations, the following expressions have the meanings hereby respectively assigned to them:—

(a) 1984 c.27.

- (a) "the Act of 1984" means the Road Traffic Regulation Act 1984;
- (b) "carriageway" means that part of the special road which—
 - (i) is constructed with a surface suitable for the regular passage of vehicular motor traffic along the special road;
 - (ii) has on each side either a hard shoulder, a raised kerb, or a central reservation, and
 - (iii) has the approximate position of its edges marked with a traffic sign of the type shown in diagram 1012.1 in Schedule 2 to the Traffic Signs Regulations and General Directions 1981(a);
- (c) "central reservation" means that part of the special road which separates the carriageway to be used by vehicles travelling in one direction from the carriageway to be used by vehicles travelling in the opposite direction;
- (d) "excluded traffic" means traffic which is not traffic of Classes I, II or IV;
- (e) "hard shoulder" means any part of the special road which is adjacent to and situated on the left hand or near side of the carriageway when facing in the direction in which vehicles may be driven in accordance with Regulation 4, and which is designed to take the weight of a vehicle;
- (f) "special road" means the lengths of the road to which these Regulations apply by virtue of Regulation 1.

(2) A vehicle shall be treated for the purposes of any provision of these Regulations as being on any part of the special road specified in that provision if any part of the vehicle (whether it is at rest or not) is on the part of the special road so specified.

(3) Any provision of these Regulations containing any prohibition or restriction relating to the driving, moving or stopping of a vehicle, or to its remaining at rest, shall be construed as a provision that no person shall use the special road by driving, moving or stopping the vehicle or by causing or permitting it to be driven or moved, or to stop or remain at rest, in contravention of that prohibition or restriction.

(4) In these Regulations references to numbered classes of traffic are references to the classes of traffic set out in Schedule 4 to the Highways Act 1980(b).

(5) Except where otherwise stated any reference in these Regulations to a numbered Regulation or Schedule is a reference to the Regulation or Schedule bearing that number in these Regulations.

Vehicles to be driven on the carriageway only

3. Subject to the following provisions of these Regulations, no vehicle shall be driven on any part of the special road which is not a carriageway.

(a) S.I. 1981/859, as amended by S.I. 1982/1879, 1983/1088.
 (b) 1980 c.66.

Direction of driving

4.— (1) Where there is a traffic sign indicating that there is no entry to a carriageway at a particular place, no vehicle shall be driven or moved onto that carriageway at that place.

(2) Where there is a traffic sign indicating that there is no left or right turn into a carriageway at a particular place, no vehicle shall be so driven or moved as to cause it to turn to the left or (as the case may be) to the right into that carriageway at that place.

(3) Every vehicle on a length of carriageway which is contiguous to a central reservation shall be driven in such a direction that the central reservation is at all times on the right hand or off side of the vehicle.

(4) Where traffic signs are so placed that there is a length of carriageway (being a length which is not contiguous to a central reservation) which can be entered at one end by vehicles driven in conformity with paragraph (1) of this Regulation, every vehicle on that length of carriageway shall be driven in such a direction only as to cause it to proceed away from that end of that length of carriageway towards the other end thereof.

(5) Without prejudice to the foregoing provisions of this Regulation, no vehicle which:—

(a) is on a length of carriageway on which vehicles are required by any of the foregoing provisions of this Regulation to be driven in one direction only and is proceeding in or facing that direction, or

(b) is on any other length of carriageway and is proceeding in or facing one direction,

shall be driven or moved so as to cause it to turn and proceed in or face the opposite direction.

(6) No person shall cause or permit any vehicle proceeding in the eastbound carriageway of the special road to make a left hand turn at the end of the eastbound exit slip road from the special road at the Colwyn Bay Interchange.

Restriction on stopping

5.— (1) Subject to the following provisions of this Regulation, no vehicle shall stop or remain at rest on a carriageway.

(2) Where it is necessary for a vehicle which is being driven on a carriageway to be stopped:—

(a) by reason of a breakdown or mechanical defect or lack of fuel, oil or water, required for the vehicle; or

(b) by reason of any accident, illness or other emergency; or

(c) to permit any person carried in or on the vehicle to recover or move any object which has fallen on to the special road; or

(d) to permit any person carried in or on the vehicle to give help which is required by any other person in any of the circumstances specified in the foregoing provisions of this paragraph,

the vehicle shall, as soon and in so far as is reasonably practicable, be driven or

moved off the carriageway on to, and may stop and remain at rest on, any hard shoulder which is contiguous to that carriageway.

(3) (a) A vehicle which is at rest on a hard shoulder shall so far as is reasonably practicable be allowed to remain at rest on that hard shoulder in such a position only that no part of it or of the load carried thereby shall obstruct or be a cause of danger to vehicles using the carriageway.

(b) A vehicle shall not remain at rest on a hard shoulder for longer than is necessary in the circumstances or for the purposes specified in paragraph 2 of this Regulation.

(4) Nothing in the foregoing provisions of this Regulation shall preclude a vehicle from stopping or remaining at rest on a carriageway while it is prevented from proceeding along the carriageway by the presence of any other vehicle or any person or object.

Restriction on reversing

6. No vehicle on the special road shall be driven or moved backwards except in so far as it is necessary to back the vehicle to enable it to proceed forwards or to be connected to any other vehicle.

Restriction on the use of hard shoulders

7. No vehicle shall be driven or stop or remain at rest on any hard shoulder except in accordance with paragraphs (2) and (3) of Regulation 5.

Vehicles not to use the central reservation

8. No vehicle shall stop or remain at rest, or be driven or moved, on a central reservation.

Vehicles not to be driven by learner drivers

9. No motor vehicle shall be driven on the special road by a person who is authorised to drive that vehicle only by virtue of his being the holder of a provisional licence under section 88(2) of the Road Traffic Act 1972(a), unless since the date of coming into force of the said provisional licence that person has passed a test prescribed under section 85 of the Road Traffic Act 1972 sufficient to entitle him under that Act to be granted a licence, other than a provisional licence, authorising him to drive that vehicle on a road.

Restrictions affecting animals carried in vehicles

10. The person in charge of any animal which is carried by a vehicle using the special road shall, so far as is practicable, secure that:—

(a) the animal shall not be removed from or permitted to leave the vehicle while the vehicle is on the special road; and

(a) 1972 c.20.

- (b) if it escapes from or it is necessary for it to be removed from, or permitted to leave, the vehicle:—
 - (i) it shall not go or remain on any part of the special road other than a hard shoulder, and
 - (ii) it shall, whilst it is not on or in the vehicle, be held on a lead or otherwise kept under proper control.

Use of the special road by excluded traffic

11.— (1) Excluded traffic is hereby authorised to use the special road on the occasions or in the emergencies and to the extent specified in the following provisions of this paragraph, that is to say:—

- (a) traffic of Class III may use the special road for the maintenance, repair, cleaning or clearance of any part of the special road or for the erection, laying, placing, maintenance, testing, alteration, repair or removal of any structure, works or apparatus in, on, under or over any part of the special road;
- (b) pedestrians may use the special road:—
 - (i) when it is necessary for them to do so as a result of an accident or emergency or of a vehicle being at rest on the special road in any of the circumstances specified in paragraph (2) of Regulation 5, or
 - (ii) in any of the circumstances specified in sub-paragraph (b), (d), (e) or (f) of paragraph (1) of Regulation 12.

Provided that no pedestrian shall go or remain on any part of the special road other than a hard shoulder except in so far as it is necessary for him to do so to reach a hard shoulder or to secure compliance with any of these Regulations or to recover or move any object which has fallen onto the special road or to give help which is required by any other person in any of the circumstances specified in paragraph (2) of Regulation 5.

(2) The Secretary of State may authorise the use of the special road by any excluded traffic on occasion or in emergency or for the purpose of enabling such traffic to cross the special road or to secure access to premises abutting on or adjacent to the special road.

(3) Where by reason of any emergency the use of any road (not being the special road) by any excluded traffic is rendered impossible or unsuitable the Chief Officer of Police of the police area in which the special road is situated, or any officer of or above the rank of superintendent authorised in that behalf by that Chief Officer, may:—

- (a) authorise any excluded traffic to use that special road as an alternative road for the period during which the use of the other road by such traffic continues to be impossible or unsuitable, and
- (b) relax any prohibition or restriction imposed by these Regulations in so far as he considers it necessary to do so in connection with the use of that special road by excluded traffic in pursuance of any such authorisation as aforesaid.

Exceptions and relaxations

12.— (1) Nothing in the foregoing provisions of these Regulations shall preclude any person from using the special road otherwise than in accordance with the foregoing provisions in any of the following circumstances, that is to say:—

- (a) where he does so in accordance with any direction or permission given by a constable in uniform or with the indication given by a traffic sign;
- (b) where, in accordance with any permission given by a constable, he does so for the purpose of investigating any accident which has occurred on or near the special road;
- (c) where it is necessary for him to do so to avoid or prevent an accident or to obtain or give help required as the result of an accident or emergency, and he does so in such manner as to cause as little danger or inconvenience as possible to other traffic on the special road;
- (d) where he does so in the exercise of his duty as a constable or as a member of a fire brigade or of an ambulance service;
- (e) where it is necessary for him to do so to carry out in an efficient manner:—
 - (i) the maintenance, repair, cleaning, clearance, alteration or improvement of any part of the special road, or
 - (ii) the removal of any vehicle from any part of the special road, or
 - (iii) the erection, laying, placing, maintenance, testing, alteration, repair or removal of any structure, works or apparatus in, on, under or over any part of the special road, or
- (f) where it is necessary for him to do so in connection with any inspection, survey, investigation, or census which is carried out in accordance with any general or special authority granted by the Secretary of State.

(2) Without prejudice to the foregoing provisions of these Regulations, the Secretary of State may relax any prohibition or restriction imposed by these Regulations.

13.— (1) No person shall drive any motor vehicle at a speed exceeding 70 miles per hour on that length of the special road specified in Schedule 3.

(2) No person shall drive any motor vehicle at a speed exceeding 50 miles per hour on that length of the special road specified in Schedule 4.

EXPLANATORY NOTE

(This Note is not part of the Regulations)

These Regulations provide for the regulation of traffic using the lengths of the special road described in Schedules 1 and 2, at Colwyn Bay in the County of Clwyd. Except as provided in these Regulations, the road can be used only by traffic of Classes I, II and IV as defined in Schedule 4 to the Highways Act 1980. The special road is not a motorway and therefore the provisions of the Motorways Traffic (England and Wales) Regulations 1982 (S.I. 1982/1163) do not apply to it.

The Regulations provide that:—

- (a) except as specified in the Regulations, vehicles are to be driven on the carriageways only of the special road (Regulation 3);
- (b) unless prohibited by traffic signs, one-way driving is to be observed by vehicles using carriageways which are contiguous to a central reservation and by vehicles using lengths of carriageway which are not so contiguous in cases where traffic signs are so placed that vehicles can enter those lengths of carriageway at one end only (Regulation 4);
- (c) vehicles are not to stop on the carriageway (Regulation 5(1); the exceptions to this prohibition being specified in Regulation 5(2) and (4));
- (d) subject to limited exceptions vehicles on the carriageways are not to reverse (Regulation 6);
- (e) vehicles may use the hard shoulders only to the extent permitted by Regulation 5(2) and (3) (Regulation 7);
- (f) vehicles are not to be driven or to remain at rest on the central reservation (Regulation 8);
- (g) vehicles are not to be driven on the special road by learner-drivers (Regulation 9);
- (h) animals carried in a vehicle are as far as practicable to be kept in the vehicle or, if they are not in the vehicle, are not to go or remain on any part of the special road other than a hard shoulder, and are to be kept under proper control (Regulation 10).

Regulation 11 provides that certain classes of traffic and pedestrians not ordinarily authorised to use the special road may use the special road in the circumstances specified in paragraph (1) and also makes provision for enabling such traffic to be authorised to use the special road as specified in paragraphs (2) and (3).

Regulation 12 provides for certain general exceptions from the provisions of the Regulations and authorises the Secretary of State to relax any prohibition or restriction imposed thereby.

Regulation 13 imposes 30 mph and 50 mph speed limits on certain lengths of the special road and a 70 mph speed limit on the remainder. It is necessary to impose specific speed limits on the lengths of the special road because it is not a motorway and the provisions of the Motorways Traffic (Speed Limit) Regulations 1974 (S.I. 1974/502) only apply to special roads which are motorways. The provisions of the 70 miles per hour, 60 miles per hour and 50 miles per hour (Temporary Speed Limit) Order 1977 as continued indefinitely

by the 70 miles per hour, 60 miles per hour and 50 miles per hour (Temporary Speed Limit) (Continuation) Order 1978 (S.I. 1978/1548) do not apply to special roads.
