CHAPTER A

Provisions Applicable to the United States

ARTICLE 8.—(1) Where a person has completed at least six quarters of coverage under United States laws, but does not have sufficient periods of coverage to satisfy the requirements for entitlement to benefits under United States laws, the Agency of the United States shall take into account periods of coverage which are creditable under the laws of the United Kingdom and which do not coincide with periods of coverage already credited under United States laws for the purpose of establishing entitlement to benefits under this Article.

(2) In determining eligibility for benefits under paragraph 1, the Agency of the United States shall credit:

- (a) one quarter of coverage for every thirteen contributions or fraction thereof paid or credited in any contribution year before 6 April 1975 under the laws specified in Article 2.1(b)(i) and (ii); and
- (b) one quarter of coverage for every thirteen contributions calculated in accordance with Article 9.5, or fraction thereof, paid or credited in any United Kingdom tax year beginning after 5 April 1975 under the laws specified in Article 2.1(b)(i) and (ii); and
- (c) one quarter of coverage for each annual contribution factor of 0.25 or any part thereof which has been derived under the laws specified in Article 2.1(b)(iii); and
- (d) one quarter of coverage for every thirteen contributions or fraction thereof paid or credited in any contribution year under the laws specified in Article 2.1(b)(iv) ;

provided, however, that periods of coverage credited under United States laws shall not exceed four quarters of coverage in any calendar year.

(3) Where entitlement to a benefit under United States laws is established according to the provisions of paragraph 1, the Agency of the United States shall compute a pro rata Primary Insurance Amount in accordance with United States laws based on the duration of a worker's periods of coverage completed under United States laws. Benefits payable under United States laws shall be based on the pro rata Primary Insurance Amount.

(4) Entitlement to a benefit from the United States which results from paragraph 1 shall terminate with the acquisition of sufficient periods of coverage under United States laws to establish entitlement to an equal or higher benefit without the need to invoke the provisions of paragraph 1.

CHAPTER B

Provisions Applicable to the United Kingdom

ARTICLE 9.—(1) For the purpose of calculating entitlement to a retirement pension or a survivor's benefit under the laws specified in Article 2.1(b)(i) and (ii) of this Agreement, for each quarter of coverage credited to a person under the laws of the United States before 6 April 1975 the person shall be treated as having paid thirteen contributions under the laws specified in Article 2.1(b)(i) and (ii).

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)**Changes to legislation:** There are currently no known outstanding effects for the The Social Security (United States of America) Order 1984. (See end of Document for details)

(2) For the purpose of calculating entitlement to a basic retirement pension or a basic survivor's benefit provided under the laws specified in Article 2.1(b)(i) and (ii) of this Agreement, for each quarter of coverage credited under the laws of the United States after 5 April 1975 a person shall be treated as having paid thirteen contributions on earnings equivalent to the lower earnings level under the laws specified in Article 2.1(b)(i) and (ii).

(3) For the purpose of calculating the appropriate contribution factor to establish entitlement to old age pension or survivor's benefit under the laws specified in Article 2.1(b)(iii) of this Agreement, a person shall be treated for each quarter of coverage credited under the laws of the United States as having paid contributions which derive an annual contribution factor of 0.25.

(4) For the purpose of calculating entitlement to old age pension or survivor's benefit under the laws specified in Article 2.1(b)(iv) of this Agreement, each quarter of coverage credited under the laws of the United States shall be treated as if it had been a contribution period of thirteen weeks completed as an employed or self-employed person under the laws specified in Article 2.1(b)(iv).

(5) For the purpose of converting into periods of coverage any earnings-factor achieved in any tax year commencing on or after 6 April 1975 under the laws specified in Article 2.1(b)(i) and (ii) of this Agreement, the Competent Authority of the United Kingdom shall divide the earnings-factor by that tax year's lower earnings limit. The result shall be expressed as a whole number, any remaining fraction being ignored. The figure so calculated shall be treated as representing the number of weeks in the insurance period completed in that tax year under those laws.

ARTICLE 10.—(1) Subject to the provisions of paragraph 2 of this Article, where a person is entitled to an old age pension or a basic retirement pension, as the case may be, under the laws of the United Kingdom, otherwise than by virtue of the provisions of this Agreement, that pension shall be payable and the provisions of Article 11, except for Article 11.3, of this Agreement shall not apply under these laws.

(2) For the purpose of paragraph 1 of this Article, a lower-rate Category B retirement pension payable to a [F9 married person or civil partner] by virtue of the contributions of [F9 his or her spouse or civil partner] shall be treated as if it were not a retirement pension and the words “old age pension or a retirement pension” should be construed as referring only to a contributory pension.

ARTICLE 11.—(1) The provisions of this Article shall apply for the purpose of determining entitlement to old age pension, or basic retirement pension, as the case may be, under the laws of the United Kingdom or under the laws of any one part of the territory of the United Kingdom, under which there is no entitlement in respect of a person in accordance with the provisions of Article 10 of this Agreement.

(2) In accordance with Article 9 of this Agreement, the relevant Agency of the United Kingdom shall determine:

- (a) the amount of the theoretical pension which would be payable if all the periods of coverage completed by that person under the laws of both Parties had been completed under its own laws;
- (b) the proportion of that theoretical pension which bears the same relation to the whole as the total of the periods of coverage completed by him under its laws bears to the total of all the periods of coverage which he has completed under the laws of both Parties.

The proportionate amount thus calculated shall be the pension actually payable to the person by the Agency of the United Kingdom.

Where the aggregate of the periods of coverage is less than one qualifying year or reckonable year, this Article and Article 9 shall not apply.]

(4) For the purpose of applying the provisions of paragraph 2 of this Article, the Agency of the United Kingdom shall take account only of periods of coverage, completed under the laws of either Party, which would be taken into account for the determination of pensions under its laws if they were completed under its laws and, in relation to a [F⁹ person], shall, where appropriate, take into account in accordance with those laws periods of coverage completed by [F⁹ his or her spouse or civil partner].

(5) Where a period of coverage credited to a person under the laws of the United States after 5 April 1975 falls within a relevant United Kingdom tax year which is not a qualifying year, those periods of coverage may be reallocated to any other tax year commencing on or after 6 April 1975 if this would be to the advantage of that person.

(6) The provisions of paragraph 2 of this Article shall not apply to any graduated pension payable under the laws of the United Kingdom, or to any increase of pension payable in respect of deferred retirement, or to any increase of benefit payable in respect of a dependent child, but any such pension or increase, or increases, shall be added to the amount of pension which has been calculated and has become payable in accordance with paragraph 2.

ARTICLE 12. The provisions of Articles 10 and 11 of this Agreement shall apply also in a claim for basic survivor's benefit under the laws of the United Kingdom, with such modifications as the differing nature of the benefits may require.

ARTICLE 13. Where a person in the United Kingdom is entitled to a child's survivor benefit in respect of a child in the United Kingdom, that benefit shall not cease to be payable solely because that person and, or, the child is in the territory of the United States.

[F¹¹ **ARTICLE 14.**—(1) The provisions of paragraphs 2 to 5 of this Article shall apply to claims for invalidity benefit under the laws of Great Britain, Northern Ireland or the Isle of Man.

(2) A person who has satisfied the first contribution condition for sickness benefit as defined in Article 1 using contributions under the laws of Great Britain, Northern Ireland or the Isle of Man only, who is in the territory of the United States and is not subject to the laws on coverage of Great Britain, Northern Ireland or the Isle of Man under Articles 4, 5 or 6 of this Agreement, shall be

entitled to receive invalidity benefit under the laws of Great Britain, Northern Ireland or the Isle of Man provided that:

- (a) the second contribution condition for sickness benefit under the laws of the United Kingdom is satisfied using relevant periods of coverage under the laws of the United Kingdom and, if necessary, the United States, and
- (b) the person is incapacitated for work and has been so incapacitated throughout the qualifying period for invalidity benefit, in which case the person shall be treated as if sickness benefit followed by invalidity benefit, under the laws of Great Britain, Northern Ireland or the Isle of Man, had been paid throughout that period of incapacity.

For the purposes of sub-paragraph (a), a person will be considered to meet the second contribution condition if he is credited with at least 2 quarters of coverage under the laws of the United States in each of the last 2 complete contribution years before the relevant benefit year. The relevant Competent Authority of Great Britain, Northern Ireland or the Isle of Man will reallocate any quarter of coverage credited to a person under the laws of the United States within a calendar year to any other calendar quarter within that year if it is needed to satisfy the second contribution condition in a relevant contribution year, as long as it has not been used to satisfy the second contribution condition in any other relevant contribution year.

The rate of the invalidity benefit payable shall be that which would be paid under the laws of Great Britain, Northern Ireland or the Isle of Man without the application of this Agreement unless a disability benefit under the laws of the United States is in payment, whether or not under the provisions of this Agreement, in which case the rate of invalidity benefit payable shall be determined in accordance with the provisions of paragraph 3 of this Article.

(3) Taking account of sub-paragraphs (a) and (b) of this paragraph, the relevant Agency of Great Britain, Northern Ireland or the Isle of Man shall ascertain the proportion of invalidity benefit provided under its laws in the same ratio as the total of the periods of coverage completed under its laws bears to the total periods of coverage completed under the laws of both Parties.

- (a) The provisions of paragraphs 1, 2 and 5 of Article 9 and the provisions of paragraphs 4, 6 and 7 of Article 11 of this Agreement shall apply to periods of coverage credited under the laws of the United States as if the references in those Articles to an old age pension, a retirement pension or a pension were references to invalidity benefit.
- (b) For the purpose of calculating the proportion of benefit referred to above, no account shall be taken of any period of coverage completed after the day on which a person's incapacity commenced.

The amount of benefit calculated in accordance with the above provisions of this paragraph shall be the amount of invalidity benefit actually payable to that person.

(4) Where a person in the territory of Great Britain, Northern Ireland or the Isle of Man, or a person outside the territory of Great Britain, Northern Ireland or the Isle of Man who is entitled to an invalidity benefit under the relevant legislation other than under paragraph 2 of this Article, is in receipt of invalidity benefit under the laws of Great Britain, Northern Ireland or the Isle of Man and also is in receipt of a disability benefit under the laws of the United States, whether or not under the provisions of this Agreement, the rate of invalidity benefit under the laws of Great Britain, Northern Ireland or the Isle of Man shall be determined in accordance with the provisions of paragraphs 3 and 5 of this Article.

(5) Where a person to whom the provisions of paragraph 4 apply:

- (a) would have been entitled to receive invalidity benefit under the laws of Great Britain, Northern Ireland or the Isle of Man, without recourse to this Agreement; and
- (b) is entitled to receive both invalidity benefit under paragraph 3 and a disability benefit under the laws of the United States, whether or not under the provisions of this Agreement, and

the sum of these two benefits is less than the amount of invalidity benefit to which the person would otherwise have been entitled under (a);

the competent authority of Great Britain, Northern Ireland or the Isle of Man shall calculate the difference between the amounts of benefit calculated in accordance with sub-paragraphs (a) and (b), on the date that entitlement to invalidity benefit payable under paragraph 3 first arose, and shall pay that amount in addition to the invalidity benefit payable. The additional sum will remain in payment under the same conditions as the invalidity benefit and subject to the equivalent increases in amount, as appropriate.

(6) Notwithstanding any other provision of this Agreement, invalidity benefit shall be payable under the laws of Jersey only in accordance with the provisions of paragraphs 7 to 9 of this Article.

(7) For the purpose of qualifying for invalidity benefit, a person who is in the territory of the United States and

- (a) has satisfied the first contribution condition for invalidity benefit using contributions under the laws of Jersey only; and
- (b) has satisfied the second contribution condition for invalidity benefit using relevant periods of coverage under the laws of either Party; and
- (c) is incapable of work, and has been so incapable throughout the qualifying period for invalidity benefit;

shall be treated as if he had been entitled to sickness benefit throughout that period.

For the purposes of sub-paragraph (b), a person will be considered to meet the second contribution condition if he is credited with at least 2 quarters of coverage under the laws of the United States in each of the last 2 complete calendar years before the calendar year in which the claim for benefit was made.

(8) Where a person has satisfied the conditions set out in paragraph 7, the Competent Authority of Jersey shall determine the actual rate of invalidity benefit payable as the amount that bears the same relation to the standard rate of benefit as the life average contribution factor during the prescribed period bears to 1.00, except that no benefit shall be payable where the factor is less than 0.1.

(9) Where a person who is in Jersey is entitled to invalidity benefit under the laws of Jersey, that benefit shall be payable.

(10) Notwithstanding any other provision of this Agreement, invalidity benefit shall be payable under the laws of Guernsey only in accordance with the provisions of paragraphs 11 to 13 of this Article.

(11) For the purpose of qualifying for invalidity benefit, a person who is in the territory of the United States or Guernsey and

- (a) has satisfied the first contribution condition for sickness benefit using contributions under the laws of Guernsey only; and
- (b) has satisfied the second contribution condition for sickness benefit using relevant periods of coverage under the laws of either Party; and
- (c) is incapable of work, and has been so incapable throughout the qualifying period for invalidity benefit;

shall be treated as if he had been entitled to sickness benefit throughout that period.

For the purposes of sub-paragraph (b), each quarter of coverage credited under the laws of the United States in the relevant contribution year shall be treated as if it had been a contribution period of thirteen weeks completed as an employed or self-employed person in the relevant contribution year.

(12) Where a person has satisfied the conditions set out in paragraph 11, the Competent Authority of Guernsey shall:

- (a) deem the contribution conditions for the payment of invalidity benefit satisfied provided that the periods of coverage under the laws of Guernsey total one qualifying year; and
- (b) calculate the amount of invalidity benefit to be paid, subject to paragraph 13, as being the proportion, not exceeding 100%, of the standard rate which the total number of contributions paid or credited in Guernsey during the prescribed period bears to the product of the number of years in that period and fifty: save that if the amount so calculated is less than one-twentieth of the standard rate, no benefit shall be payable.

(13) Where a person is in Guernsey and

- (a) is entitled to invalidity benefit under the laws of Guernsey solely through the application of paragraphs 11 and 12, or has been entitled to such a benefit in relation to the claim in question solely through the application of those paragraphs; and
- (b) is in receipt of a disability benefit under the laws of the United States, whether or not by virtue of this Agreement;

the amount of the invalidity benefit payable under the laws of Guernsey shall be reduced by the amount by which the aggregate of both benefits exceeds the standard rate of invalidity benefit under the laws of Guernsey.

(14) No person in relation to whom invalidity benefit is payable under the provisions of this Agreement shall receive a contribution credit from Jersey or Guernsey unless present in Jersey or Guernsey, as the case may be.

(15) Where a person's periods of coverage under the laws of a part of the United Kingdom total less than one qualifying year, or one reckonable year, these periods shall be aggregated as if they had all been completed under the laws of any part of the territory of the United Kingdom under which a sickness benefit or an invalidity benefit is payable or would be payable if the periods were aggregated, or, where two such benefits are or would be payable, under the laws of that part which, at the date on which entitlement first arose or arises, is paying or would pay the greater amount. Where the aggregate of the periods of coverage is less than one qualifying year, or one reckonable year, this Article shall not apply.

(16) Notwithstanding any other provision of this Article, a person in the territory of the United States who is subject to the laws on coverage of the United Kingdom by virtue of any of the Articles 4 to 6 of this Agreement and who satisfies the contribution conditions applicable to sickness benefit under those laws shall, for the purpose of determining his entitlement to invalidity benefit under those laws:

- (a) be treated as if he were in the territory of the United Kingdom; and
- (b) each day of incapacity for work while in the territory of the United States may, where appropriate, be treated as if it were a day for which he had received sickness benefit under the laws of the United Kingdom.

(17) Any restriction which would otherwise be applicable under the laws of the United Kingdom in the rate of benefit payable to persons who are not ordinarily resident in the territory of the United Kingdom shall not apply to persons in the territory of the United States who are in receipt of invalidity benefit under the laws of the United Kingdom by virtue of the provisions of this Agreement.]
