*(This note is not part of the order.)*

This order designates the combined areas of the Borough of Chesterfield and the Districts of Bolsover and North-East Derbyshire as an area to which section 10 of the Caravan Sites Act 1968 applies.

The effect of designation is to make it an offence, within the designated area, for any gipsy to station a caravan for the purpose of residing for any period on any land within the boundaries of a highway, or on any other unoccupied land, or on any occupied land without the consent of the occupier.

Under section 11 of the Act (substituted by section 174 of the Local Government, Planning and Land Act 1980), unlawfully stationed caravans and their occupants may be removed by order of a magistrates' court.
