This Order revokes the Fishing Boats (Norway) Designation Order 1964 which designated Norway as a country whose registered fishing boats are accorded fishing rights for specified descriptions of fish in specified areas within British Fishery Limits.

The revoked Order gave effect to the Norway No. 2 (1964) Agreement (Cmd. 2505) which provided that Norwegian vessels should be allowed to continue to fish for dogfish and basking shark in certain waters within 6 to 12 miles of the Scottish coast until 31st December 1984.
