Rebates or allowances

3. The amount of subsidy payable to an authority listed in column (1) of the Schedule hereto in respect of rebates or allowances granted by that authority under its scheme shall be the percentage specified in relation to that authority in either column (2) or column (3) of that Schedule as may be appropriate in any particular case, of the rebates or allowances which would have been granted by that authority during the year under the statutory scheme had it had effect with the modifications specified in article 5 of this Order.

Administration costs

4. The amount of subsidy in respect of administration costs shall be—

- (a) for a new town corporation, the Scottish Special Housing Association, or the Development Board for Rural Wales, 100%,

Modification of the scheme

5. The modifications referred to in article 3 of this Order are the following modifications to the Housing Benefits Regulations 1982:—

(a) in regulation 2(1)—

- (i) in the definition of “rent” add the following words after paragraph (g) but not so as to form part of that paragraph—

“but, notwithstanding sub-paragraph (b), where a tenant of an authority is or would, if he were not in receipt of a rent rebate, be entitled to choose either not to be provided with any services, facilities or rights, or to provide those services, facilities or rights for himself, whether or not in return for an award or a grant from the appropriate authority, while continuing to occupy or, as the case may be, when entering into occupation of a dwelling as his home either under his existing tenancy agreement or by entering into a new agreement, excludes the amounts attributable to those items (whether or not those amounts form part of the sum fixed as rent or are otherwise reserved as rent)”, and

- (ii) for the definition of “rent-free period” substitute the following definition—

“‘rent-free period’ means a period to which an eligible person is or will be or may become entitled, for which no rent is payable and which has not already been taken into account for the purposes of these regulations so that, where an eligible person is awarded a rent-free period to which he is not immediately entitled, the period shall be treated as running from the date of the award;”;

(b) in regulation 16 insert the following paragraph:—

“(5A) Where an authority charges a person to whom regulation 9 applies a rent higher than that charged to any of its other tenants in respect of a similar dwelling for a reason relating to the fact that regulation 9 applies to him, paragraph (2) of this regulation shall have effect as if, for the reference to the amount which that person is liable to pay there were substituted a reference to the amount which he would have been liable to pay were he not in receipt of qualifying supplementary benefit.”;

(c) omit regulation 22;

(d) insert the following regulation after regulation 26A:—

“26B— (1) Subject to paragraph (2), where an authority makes an award to one of its tenants in receipt of housing benefit in the form of a payment of money or money’s worth, a credit to the person’s rent account, or in some other form, and whether or not the person is immediately entitled to the award, the amount of housing benefit payable to the person during the year in which the award is made or, where the value of the award is such, that year and the following year, shall be reduced by the amount of the award.

(2) Paragraph (1) shall not apply to an award—

- (a) made to a tenant for a reason unrelated to the fact that he is a tenant,
- (b) made under a statutory obligation,
- (c) for a purpose specified in or under statute made in exercise of a discretion where the circumstances in which that discretion may be exercised are also specified as aforesaid,

- (e) of a reasonable amount made as compensation for loss, damage or inconvenience of a kind which occurs only irregularly suffered by the tenant by virtue of his occupation of his home.”.
