EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These regulations amend the National Health Service (General Medical and Pharmaceutical Services) (Scotland) Regulations 1974 ("the 1974 Regulations") which regulate the terms on which doctors and chemists provide general medical services and pharmaceutical services under the National Health Service (Scotland) Act 1978.

Schedule 2A to the 1974 Regulations lists drugs and other substances which cannot be supplied by doctors or prescribed for supply under pharmaceutical services. These regulations add some drugs to, and delete others from, that list. The additions are to be made on two different dates.
