“Interest on loans to acquire an interest in the home

**15.**—(1) Subject to paragraphs (2) to (10) the following amounts shall be applicable under this regulation:—

- (a) if the claimant or, if he is a member of a married or unmarried couple, he or his partner is aged 60 or over, 100 per cent. of the eligible interest in his case;
- (b) if the claimant or, if he is a member of a married or unmarried couple, he and his partner are aged under 60
- (i) where the claimant has been in receipt of an allowance in respect of a continuous period of not less than 16 weeks, 100 per cent. of the eligible interest in his case;
- (ii) in any other case, 50 per cent. of the eligible interest in that case.

- (2) Where in a case to which paragraph (1)(b)(ii) applies —

- (a) either:—
- (i) the claim for an allowance is refused, or
- (ii) an award of an allowance is terminated on appeal or review solely because the claimant’s resources exceed his requirements by virtue of the fact that only 50 per cent. of the eligible interest in his case is applicable to him under paragraph (1)(b)(ii), and
- (b) the claimant or his partner makes a further claim no later than 20 weeks after—
- (i) where the original claim for an allowance was refused, the date of that claim, or
- (ii) where an award of an allowance was terminated on appeal or review, the date of the claim in respect of which that award was made, the amount applicable under this regulation commencing on a date not before the expiry of 16 weeks from the date specified in head (i) or (ii), as the case may be, shall be 100 per cent. of the eligible interest in that case and until that date shall be the amount specified in paragraph (1)(b)(ii).

(3) Subject to paragraphs (4) and (5), in this regulation, “eligible interest” means the amount of interest on a loan, whether or not secured by way of a mortgage or, in Scotland, under a heritable security, taken out to defray money applied for the purpose of—

- (a) acquiring an interest in the home; or
- (b) paying off another loan but only to the extent that interest on that other loan would have been eligible interest had the loan not been paid off.

(4) Subject to paragraph(5) and regulation 14(5A) and to any restriction imposed under regulation 21, the amount of eligible interest in any case shall be the amount, calculated on a weekly basis, of—

- (a) where, or in so far as, section 26 of the Finance Act 1982<sup>(8)</sup> applies to the payments of interest on the loan, the interest which is payable after deduction of a sum equal to income tax thereon at the basic rate for the year of assessment in which the payment of interest becomes due;
- (b) in any other case the interest which is payable on the loan without deduction of such a sum.

(5) Where a loan is applied only in part for a purpose specified in paragraph (3), only such proportion of the interest payable thereon as is equal to the proportion of the loan applied for that purpose shall qualify as eligible interest.

(6) Where, under the terms of a loan taken out for a purpose specified in paragraph (3), interest is payable on accumulated arrears of interest (whether or not those arrears have been consolidated with the outstanding capital), the amount of such interest shall be applicable under this regulation as if it were eligible interest but only in so far as it represents interest on arrears incurred during any period —

- (a) when paragraph (1)(b)(ii) applied in that case, or
  - (b) when the claimant was not entitled to benefit which fell within the period of 20 weeks specified in paragraph (2)(b);
- and in either case only to the extent that arrears do not exceed 50 per cent. of the eligible interest that otherwise would have been payable during the period in question.

(7) Where a person who was formerly one of a married or unmarried couple—

- (a) has taken out, either solely or jointly with his former partner, a loan secured on their home for a purpose other than one specified in paragraph (3), and
  - (b) has left the home and either cannot or will not pay the interest on the loan,
- and, if that person's former partner has to pay the interest on the loan in order to continue to live in the home, there shall be applicable to the former partner under this regulation the amount of interest on the loan calculated as if it were a loan taken out for a purpose specified in paragraph (3).

(8) Where an amount is applicable under this regulation, if, notwithstanding that the amount of interest payable is reduced by virtue of—

- (a) a reduction in interest rates, or
  - (b) a reduction in the amount of loan capital outstanding,
- the amount of instalments which the borrower is liable to pay remains constant, the amount applicable shall not be adjusted to take account of the new amount of interest payable except where regulation 87(3) of the Social Security (Adjudication) Regulations 1984<sup>(9)</sup> so provides.

(9) Notwithstanding paragraph (1)(b)(ii), where a claimant is or, if he is a member of a married or unmarried couple he and his partner are, aged under 60 and he or, either of them, was in receipt of an allowance immediately before the 26th January 1987, there shall be applicable under this regulation 100 per cent. of the eligible interest in that case for so long as he or either of them remain in receipt of an allowance.

- (10) For the purpose of paragraphs (1) and (9)—
- (a) a person shall be treated as being in receipt of an allowance during the following periods:—
    - (i) any period in respect of which it was subsequently held on appeal or review, that he was so entitled; and
    - (ii) any period of 8 weeks or less in respect of which he was not in receipt of an allowance and which fell immediately between periods in respect of which he was in receipt thereof or to which head (i) above applies;
  - (b) a person shall be treated as not being in receipt of an allowance during any period other than a period to which subparagraph (a)(ii) above applies in respect of which it is subsequently held on appeal or review that he was not so entitled;

    - (i) under paragraph 3(1) of Schedule 1 to the Act (aggregation in the case of married or unmarried couples), or
    - (ii) under paragraph 3(2) of that Schedule 1 (aggregation of dependants) and there are now aggregated with A's requirements and resources under that paragraph 3(2) those of another person which were previously so aggregated with B's, and if A makes a claim for an allowance within 8 weeks of the cessation of aggregation, A shall be treated as having been in receipt of an allowance for the same period as B had been or had been treated, for the purpose of paragraph (1), as having been.”.

“an amount in respect of interest payable on a loan which is taken Out, with or without security, for the purpose of—

- (a) carrying out repairs or improvements to the home, or
- (b) paying off another loan but only to the extent that interest on that other loan would have been applicable under this regulation had the loan not been paid off,
  - and which is used for that purpose or is to be so used within 6 months of the date of receipt or such further period as an Adjudication officer considers reasonable, and the amount applicable under this regulation shall be calculated as if the loan were a loan to which regulation 15 applied.”.

(5) In regulation 21 (restrictions where amounts excessive) for paragraphs (1) and (2) there shall be substituted the following paragraph

## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend Part IV of the Supplementary Benefit (Requirements) Regulations 1983 (which sets out the housing requirements of supplementary benefit claimants) in the following respects:—

- they amend regulation 14 so that, where the home is included in a hereditament or premises of which a part only is rated or assessed as a dwelling the amounts applicable under regulations 1 and 17 are limited to the proportion of the amounts applicable in respect of the hereditaments or premises as a whole equal to the proportion so rated or assessed;
- a new regulation 15 is substituted by which restrictions are placed on the amount of mortgage interest which will be met as a housing requirement during the first 16 weeks of benefit where the claimant or his partner is aged less than 60 and he was not in receipt of benefit prior to coming into force of this regulation;
- regulation 17 is amended so that interest on loans for repairs or improvements on the home is treated in the same way as interest on a loan which qualifies under regulation 15;
- regulation 21 is amended so that the amounts applicable as housing requirements under regulations 15 to 18 are restricted where the outgoings of the claimant's home are unreasonably high by comparison with the outgoings of suitable alternative accommodation in the locality.

In addition, regulation 3 of these regulations amends the Supplementary Benefit (Resources) Regulations 1981 to provide that any income received under the terms of an insurance policy taken out to insure against the risk of the claimant being unable to meet the interest on a loan to which regulation 15 or 17 of the Requirements Regulations applies, is subject to certain exceptions, to be taken into account in full as a resource.

The Report of the Social Security Advisory Committee dated 13th August 1986 on the proposals relevant to those regulations and a statement showing the extent to which these regulations give effect to the Committee's recommendations, and, in so far as they do not give effect to them, the reasons why not are contained in Command Papers 35 and 36 published by Her Majesty's Stationery Office. The Committee agreed not to have referred to them the proposal as to having regard to any foster children when determining whether the home is unnecessarily large and so the housing requirements for that home ought to be restricted.
