*(This note is not part of the Order)*

This Order prohibits the landing in Great Britain of potatoes grown in or consigned from the Federal Republic of Germany from 6th February 1987.

The following provisions of the Import and Export (Plant Health) (Great Britain) Order 1980 apply to the prohibition on landing contained in Article 2:—

- (a) an officer of the appropriate Minister authorised for the purposes of that Order has the powers of entry; examination and sampling and powers to enable remedial action to be taken when plants or flowers are landed or are likely to be landed in contravention of this order (Articles 12 and 13 of that Order);
- (b) officers of Customs and Excise may detain plants and flowers for examination (Article 16 of that Order);
- (c) the landing of a plant or flower which is prohibited by this Order may be authorised by licence (Article 17 of that Order).

Any person who lands potatoes in contravention of this order with intent to evade the prohibition contained in it is guilty of an offence under section 50(2) of the Customs and Excise Management Act 1979 (c. 2) and may be detained. A person guilty of such offence is liable, on summary conviction, to a penalty of £2,000 or of three times the value of the goods, whichever is the greater, or to imprisonment for a term not exceeding 6 months, or to both, and, on conviction on indictment, to a penalty of any amount, or to imprisonment for a term not exceeding 2 years, or to both.
