EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations supersede the Industrial Assurance (Fees) Regulations 1986. They generally increase by about 4% the fees payable in connection with the exercise by the Industrial Assurance Commissioner of his functions under the Industrial Assurance Act 1923. The fee for certification of copy documents is altered from £8.50 to £2.75 plus the fee payable for copies which are not certified, which aligns it with legislation relating to building societies, friendly societies, industrial and provident societies and credit unions.
