- (a) he has obtained the consent in writing of that landlord to the application; or

---

<sup>(11)</sup> O.J. No. L150, 18.6.77, p.24.

<sup>(12)</sup> S.I. 1986/1613, as amended by S.I. 1987/425 and 1987/881.

(b) that landlord has unreasonably refused his consent to the application.

(3) Where within 21 days of the receipt of a copy of an application served in accordance with subparagraph (1) or of a notice served in accordance with paragraph 11, a landlord objects to the application by notice served on the tenant and (where the Secretary of State is neither the landlord nor the tenant) the Secretary of State, on one or more of the grounds specified in paragraph 9, the tenant shall be deemed to have withdrawn his application for compensation unless, within 14 days of receipt of that notice of objection the tenant—

- (a) by notice served on that landlord, demands that the question whether that objection should be upheld or not shall be referred to arbitration; and
- (b) (where the Secretary of State is neither the landlord nor the tenant) by notice served on the Secretary of State, informs him of that demand.

### **Unreasonable refusal of consent**

**8.** For the purposes of paragraph 7, a landlord shall have unreasonably refused his consent to an application for compensation if—

- (a) having been served with a notice of the tenant's application or intention to make an application, he has not, within 21 days of receipt of that notice, served a notice objecting to that application on one or more of the grounds specified in paragraph 9, on—
  - (i) the tenant,
  - (ii) his immediate tenant where that tenant is not the tenant in occupation of the tenancy, and
  - (iii) where the application has already been made, (and the Secretary of State is neither the landlord nor the tenant) the Secretary of State; or
- (b) he has so objected, but on arbitration under paragraph 10 an arbiter has made a determination not to uphold the objection, and the arbiter's determination has not been reversed and there is pending no appeal or other proceedings.

### **Landlord's objections to an application**

**9.—(1)** Subject to paragraph (2) the grounds upon which a landlord may object to a tenant's application for compensation for the purposes of paragraphs 7 and 8 are—

- (a) where the tenant is eligible under paragraph 4(1)(a), that the payment the landlord would receive in accordance with this Scheme would not adequately recompense him for any reduction in the annual rental value of the tenancy as a result of the cessation of its use as a dairy unit;
- (b) where the tenant is eligible under paragraph 4(1)(b), that the payment the landlord would receive in accordance with this Scheme would not adequately recompense him for any reduction in the annual rental value of the tenancy as a result of the surrender of the relevant quota;
- (c) the tenant or any landlord is bound by an agreement with a superior landlord of the tenancy or with a predecessor of that landlord to the effect either that—
  - (i) the tenancy or any part thereof will be farmed as a dairy farm; or
  - (ii) any quota on the tenancy or any part thereof will be maintained.

(2) A landlord may not object to a tenant's application for compensation on the ground specified in subparagraph (1)(c)(ii) if the agreement concerned relates solely to commodities other than milk.

### **Arbitration of landlord's objection to an application**

10. On a reference under paragraph 7(3) the arbiter shall determine whether or not the objection should be upheld.

### **Service of notices on superior landlords**

11. Where a landlord is informed, by the service of a copy of an application under paragraph 7 or by a notice under paragraph 8 or under this paragraph, of a tenant's application or intention to make an application in respect of a holding, he shall, in respect of any part of that holding in which he has an interest (but in respect of which he is not the owner), within 7 days of receipt of such copy or notice, serve a notice on his immediate landlord informing him of the tenant's application or intention to make an application, and shall send a copy of such notice to the tenant and (where none of the parties is the Secretary of State) to the Secretary of State.

### **Landlord's right to payment**

12.—(1) Subject to subparagraph (4), where a successful applicant occupies his holding or any part thereof as a tenant, each of his landlords shall be entitled to obtain from him a payment in respect of the relevant quota.

(2) The payment to which a landlord is entitled under subparagraph (1) shall be an amount agreed between the tenant and the landlord or, in default of agreement—

- (a) where the tenant has only one landlord, the landlord's amount; and
- (b) where the tenant has two or more landlords, such proportion of the landlord's amount as shall be agreed or determined by arbitration in accordance with paragraph 14.

(3) The landlord's amount, or, where subparagraph (2)(b) applies, the proportion of the landlord's amount to which a landlord is entitled, shall be payable in seven equal yearly instalments, each instalment being due—

- (a) on the day after the day the tenant receives his instalment of compensation; or
- (b) where, in respect of any quota year the tenant (by reason of his death or any default of his) does not receive an instalment of compensation, at the end of the period of 3 months after the date on which that instalment would otherwise have become due.

(4) Where

- (a) a successful applicant who is a tenant dies before he has received all his instalments of compensation, and
- (b) a successor of the deceased tenant enters into the tenant's obligations for the purposes of paragraph 4,

any landlord of the deceased tenant shall be entitled to recover from the successor such instalments of the payment referred to in subparagraph (2) as become due to that landlord on or after the date on which that successor entered into those obligations and, from that date, the landlord shall cease to be entitled to recover those instalments from the estate of the deceased tenant.

### **The landlord's amount**

13.—(1) Where the tenant is eligible under paragraph 4(1)(a) the landlord's amount shall be such an amount as an arbiter may determine as equal to the full rate of compensation for so much of the relevant quota as consists of—

- (a) standard quota or, where it is less, allocated quota multiplied by the landlords's fraction; and
- (b) transferred quota as follows—

- (i) where the landlord bore the whole of the cost of the transaction by virtue of which the transferred quota was transferred to the tenancy, the whole of the transferred quota; and
  - (ii) where the landlord bore only a part of that cost, the corresponding part of the transferred quota.
- (2) For the purposes of subparagraph (1)–
  - (a) “landlord’s fraction” means the fraction of which–
    - (i) the numerator is an amount equal to the reduction in the annual rental value of the tenancy if farmed as a non-dairy unit; and
    - (ii) the denominator is an amount equal to the annual rental value of the tenancy farmed as a dairy unit;
  - (b) in assessing the rental values referred to in heads (a)(i) and (ii) the notional rent determinations shall be based respectively on the use of the tenancy for such enter prises other than dairying as a reasonably competent tenant would pursue and the current use of the tenancy as a dairy unit.
- (3) Where the tenant is eligible under paragraph 4(1)(b) the landlord’s amount shall be such an amount as an arbiter shall determine as equal to the full rate of compensation for so much of the relevant quota as is surrendered under this Scheme and consists of–
  - (a) standard quota or, where it is less, allocated quota multiplied–
    - (i) firstly, by the landlord’s fraction; and
    - (ii) secondly, by a fraction of which the numerator is the quota surrendered and the denominator is the registered quota; and
  - (b) transferred quota as follows —
    - (i) where the landlord bore the whole of the cost of the transaction by virtue of which the transferred quota was transferred to the tenancy, the whole of the transferred quota multiplied by a fraction of which the numerator is the quota surrendered and the denominator is the registered quota; and
    - (ii) where the landlord bore only a part of that cost, the corresponding part of the transferred quota multiplied by a fraction of which the numerator is the quota surrendered and the denominator is the registered quota.
- (4) For the purposes of subparagraph (3)–
  - (a) “landlord’s fraction” means the fraction of which–
    - (i) the numerator is an amount equal to the reduction in the annual rental value of the tenancy as a consequence of the surrender of the quota; and
    - (ii) the denominator is an amount equal to the annual rental value of the tenancy assuming no quota is surrendered;
  - (b) in assessing the rental values referred to in heads (a)(i) and (ii) the notional rent determinations shall be based respectively on the use of the tenancy for such enter prises as a reasonably competent tenant would pursue and the current use of the tenancy assuming no surrender of quota.
- (5) Subject to the provisions of subparagraph (6), the standard quota for any tenancy shall be calculated by multiplying the relevant number of hectares by the prescribed standard yield per hectare and for the purposes of this subparagraph and subparagraph (6)–
  - (a) “relevant number of hectares” means the average number of hectares of the tenancy used during the relevant period for the feeding of dairy cows kept on the tenancy or, if different, the average number of hectares of the tenancy which could reasonably be expected to have

been so used (having regard to the number of grazing animals other than dairy cows kept on the tenancy during that period); and

- (b) “prescribed standard yield per hectare” means, in respect of each of the breeds shown in column 1 of the Schedule to this Scheme, the number of litres shown opposite that breed in—
- (i) column 2(a), in relation to severely disadvantaged land,
  - (ii) column 3(a), in relation to disadvantaged land, and
  - (iii) column 4(a), in relation to any other land.

(6) Where, by virtue of the quality of the land in question or the climatic conditions in the area, the reasonable amount is greater or less than the prescribed average yield per hectare, subparagraph (5) shall not apply, and the standard quota shall be calculated by multiplying the relevant number of hectares by such proportion of the prescribed standard yield per hectare as the reasonable amount bears to the prescribed average yield per hectare, and for the purposes of this subparagraph—

- (a) the amount of milk to be taken as the prescribed average yield per hectare in respect of each of the breeds shown in column 1 of the Schedule to this Scheme shall be the number of litres shown opposite that breed in—
- (i) column 2(b), in relation to severely disadvantaged land,
  - (ii) column 3(b), in relation to disadvantaged land, and
  - (iii) column 4(b), in relation to any other land; and
- (b) “reasonable amount” means the amount of milk which could reasonably be expected to have been produced from one hectare of the tenancy during the relevant period.

(7) In the application of this paragraph—

- (a) “dairy cows” means milking cows and calved heifers;
- (b) “disadvantaged land” and “severely disadvantaged land” means land which has been determined to be disadvantaged or severely disadvantaged land, as the case may be, in accordance with the definitions of those expressions as they are set out in regulation 2 of the Hill Livestock (Compensatory Allowances) Regulations 1984<sup>(13)</sup>;
- (c) references to the “area of a tenancy used for the feeding of dairy cows kept on the tenancy” do not include references to land used for the growing of cereal crops for feeding to dairy cows in the form of loose grain; and
- (d) “relevant period” means—
- (i) the period in relation to which the base quota was determined, or
  - (ii) where the base quota was determined in relation to more than one period, the period in relation to which the majority was determined or, if equal amounts were determined in relation to different periods, the later of those periods.

### **Apportionment of landlord’s amount**

**14.**—(1) The landlord’s amount (or, where one or more landlords have agreed with the tenant the payment to which they are entitled under paragraph 12(2), such proportion of the landlord’s amount as the remaining landlords shall agree or in default of agreement as an arbiter shall determine) shall be apportioned between the landlords who have not made an agreement with the tenant under paragraph 12(2) by agreement or, in default of agreement, by arbitration, and on a reference under this paragraph an arbiter shall take all relevant factors into account in making his award.

---

<sup>(13)</sup> S.I. 1984/2024.

(2) Where a reference to arbitration is made under this paragraph in conjunction with a reference under another paragraph, any additional expenses of the award caused by the apportionment under this paragraph shall be paid by the landlords in such proportions as the arbiter may determine.

### **Arbitrations**

**15.**—(1) Where any matter is under this Scheme to be determined by arbitration, it shall be referred—

- (a) in the case of an agricultural holding within the meaning of the 1949 Act, to arbitration under that Act or, under section 78 of that Act, to the Scottish Land Court for determination by that court;
- (b) in any other case, to the Scottish Land Court, for determination by that court.

(2) Subject to subparagraph (3), where subparagraph (1)(a) applies, section 75 (or where the circumstances require, sections 77 and 87) of the 1949 Act shall apply as if the matter referred to in subparagraph (1) was required by that Act to be determined by arbitration.

(3) Where subparagraph (1)(a) applies, Schedule 6 to the 1949 Act shall apply to arbitrations under this Scheme subject to the following modifications:—

- (a) in paragraph 5(**14**) (particulars of claims) as if for the words “twenty eight days” in both places where they occur, there were substituted the words “twenty one days”;
- (b) in paragraph 8 (time for making and signing awards) as if for the words “two months” there were substituted the words “thirty five days”;
- (c) paragraph 13 (arbitration award to fix a day for payment of money awarded) shall apply only in relation to expenses;
- (d) paragraphs 19 to 22 (stated case procedure, and setting aside award) shall not apply.

(4) Where a matter is under this paragraph to be determined by the Scottish Land Court, paragraphs 5 and 8 of Schedule 6 to the 1949 Act subject to the modifications set out in subparagraph (3) above shall apply to a reference to the Scottish Land Court as they apply to arbitrations under that Act and references in those paragraphs to the “arbiter” and the “arbitration” shall be construed accordingly.

### **Temporarily reallocated quota**

**16.** For the purposes of this Scheme, quota which has been temporarily reallocated from one holding to another under the 1986 Regulations (reallocation of wholesale quota) shall be treated as if it had not been temporarily reallocated.

### **Service of notices or copies of applications**

- any notice served on the original landlord by the tenant or landlord shall be deemed for the purposes of this Scheme to have been properly served.
- (6) Where an original landlord receives a notice in the circumstances described in subpara ragraph (5), he shall forthwith serve that notice on the person on whom that notice should have been served.
- (7) In this paragraph, “notice” includes a copy of an application served under paragraph 7.

### **Loss arising from failure to comply with provisions of this Scheme**

**18.**—(1) Where, in consequence of the failure of any person to comply with the requirements of paragraphs 7 or 11 in relation to a holding or a part of a holding, a landlord suffers loss, the landlord shall be entitled to recover the amount involved from that person.

(2) Any award or agreement under this Scheme as to compensation, expenses or otherwise may, if any sum payable thereunder is not paid within fourteen days after the date on which it becomes payable, be recorded for execution in the Books of Council and Session or in the sheriff court books, and shall be enforceable in like manner as a recorded decree arbitral.

### **Recovery of compensation**

**19.**—(1) Where any person with a view to obtaining the payment of compensation to himself or any other person—

- (a) makes any statement which is untrue or misleading in a material respect, or
- (b) furnishes to the Secretary of State any inaccurate information,

the Secretary of State shall be entitled to recover on demand the whole or any part of any compensation paid to him or to such other person.

*(This note is not part of the Scheme)*

Article 1(2)(a) of Council Regulation (EEC) No. 1343/86 (O.J. No. L119, 8.5.86, p.34) amended Article 4(1)(a) of Council Regulation (EEC) No. 857/54 (O.J. No. L90, 1.4.84, p.13) by enabling Member States to grant compensation to producers with a milk quota in excess of a level which was to be determined who undertake to surrender at least 50% of that milk quota. Until this amendment was made, producers could only obtain compensation for the surrender of the whole of their milk quota. The level of milk quota referred to above was fixed by Article 1(1) of Commission Regulation (EEC) No. 2133/86 (O.J. No. L187, 9.7.86, p.21) at 250,000 kilogrammes (242,790 litres).

This Scheme provides for the payment of compensation to certain holders of milk quota in Scotland. Under the Scheme, compensation is to be paid to any producer who holds unused quota and who must either undertake to surrender the total of the milk quota registered in his name and to discontinue milk production, or to reduce his milk production and surrender not less than 50% of his total registered quota.

Paragraph 3 provides that the time and procedural requirements for applications for compensation shall be published in the Gazette and the farming press. The methods by which payments may be made to persons under the Scheme are explained in paragraph 5. Paragraph 6 lays down the rules for the acceptance of applications in the event of over-subscription.

An applicant for compensation who does not own all the land which he occupies must attempt to obtain the consent of any person who owns or is a superior landlord of the tenancy (“the landlord”), unless consent has already been obtained or is determined as being unreasonably refused (paragraph 7).

Paragraphs 8 and 9 spell out the criteria for deciding whether or not a landlord’s consent has been unreasonably refused and paragraphs 10 and 11 deal with arbitration on this matter in cases of dispute.

Paragraph 12 provides that landlords shall be entitled to obtain from the tenant a payment in respect of the relevant quota and paragraph 13 sets out the amount (the “landlord’s amount”) to which landlords as a whole are entitled in the absence of agreement. The amount is to be apportioned among the landlords by agreement or arbitration (paragraph 14).

Arbitrations under the Scheme are, in the case of an agricultural holding within the meaning of the Agricultural Holdings (Scotland) Act 1949, to be referred to a single arbiter (or to the Scottish Land Court) in accordance with the provisions of Schedule 6 to the 1949 Act, three of the provisions of which have been amended for the purposes of this Scheme in order to speed up proceedings. Several more provisions of that Schedule have been disapplied to arbitrations under this Scheme, in particular the stated case procedure. In any case other than an agricultural holding, reference is to be made to the Scottish Land Court for determination. The provisions of Schedule 6 to the 1949 Act as amended by this Scheme are applied to the procedures of the Scottish Land Court (paragraph 15).

Provision is made for recovery from a tenant of any loss suffered by a landlord as a result of an application for compensation by the tenant which fails to comply with paragraph 7 and for recovery of sums agreed or awarded under the Scheme (paragraph 18).

Paragraph 19 makes provision for the recovery by the Secretary of State of compensation paid in certain specified circumstances.

This Scheme applies to Crown land (paragraph 20).

This Scheme also revokes the Milk (Partial Cessation of Production) (Scotland) Scheme 1986 (paragraph 21).

Duly authorised officers of the Secretary of State have power to enter on any land occupied by any person to whom a payment of compensation has been made and to require any person who is engaged in the production of milk to furnish accounts and records in his possession or under his control by virtue of section 2 of the Milk (Cessation of Production) Act 1985.

By section 3 of the above Act it is made an offence punishable on summary conviction by a fine not exceeding £2,000 to make a false statement knowingly or recklessly which is false in a material particular for the purpose of obtaining compensation, or to intentionally obstruct an authorised officer.
