TRACTORS

The Agricultural or Forestry Tractors and Tractor Components (Type Approval) Regulations 1988

Made - - - - 8th September 1988
Laid before Parliament 12th September 1988
Coming into force 30th September 1988

THE AGRICULTURAL OR FORESTRY TRACTORS AND TRACTOR COMPONENTS (TYPE APPROVAL) REGULATIONS 1988

PART I

GENERAL

1. Title and commencement
2. Tractors or tractor components to which the Regulations apply
3. Interpretation

PART II

TYPE APPROVAL OF TRACTORS AND TRACTOR COMPONENTS

4. Application for type approval and component type approval
5. Approval of type tractors and type tractor components
6. Certificates of conformity to a type tractor or type tractor component
7. Component type approval marks
8. Extension of type approval
9. Extension of component type approval
10. Conditions of issue of type approval certificates or component type approval certificates and cancellation or suspension thereof for breach of condition
11. Notice by a manufacturer of cessation of, or alteration in, the manufacture of tractors or tractor components of an approved type, or of alterations in the relevant aspects of design, etc.
12. Cancellation, suspension or modification of a type approval certificate or component type approval certificate where notice is given under regulation 11

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

13. Cancellation or suspension of type approval certificates where tractors or tractor components are not manufactured in conformity with type approval requirements or component type approval requirements
14. Suspension of type approval certificates and component type approval certificates where tractors having a certificate of conformity or tractor components having a component type approval mark are altered
15. Notice of cancellation, suspension or modification of type approval certificates or component type approval certificates
16. Review

PART III

SUPPLEMENTARY PROVISIONS

17. Provisions of testing stations
18. Keeping and inspection of records relating to certificates of conformity
19. Revocation
Signature
