## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order transfers areas between the county of Cleveland and borough of Stockton-on-Tees and the county of Durham and the district of Sedgefield. Consequential changes to parishes and local government electoral areas are made.

The map forming part of this note (page 3) gives a general guide to the areas affected. Prints of the detailed boundary map (described in article 2) may be inspected at all reasonable times at the offices of the Sedgefield and Stockton-on-Tees district councils and at the office of the Secretary of State for the Environment, 2 Marsham Street, London SW1P 3EB.

The area transferred to the county of Durham will have approximately an area of 6.55 hectares, a population of 7 and a ratable value of £757. The area transferred to the county of Cleveland is small and has no population or ratable value.

The Local Government Area Changes Regulations 1976 (S.I.1976/246, amended by S.I. 1978/247) contain general provisions regarding the effect of orders such as this one.
