PART II

Clerks and Sextons

1. In certain parishes there will still be a person who

- (i) was employed in a parish immediately before 1 January 1977 (the date on which the Parochial Fees Order 1976(6) came into operation) as a parish clerk or sexton; or

(5) 1836 c. 71.

(6) S.I. 1976/1112.

- (ii) under the terms of his or her employment carried out the duties of a clerk or sexton and was entitled to fees payable for such duties.

That person is, in relation to that parish, entitled to be paid the sum specified in col. 4 for performing a clerk's duties or that in col. 5 for performing a sexton's duties; and the sum shown in col. 2 as payable to the parochial church council shall be reduced accordingly.

Where there is no person entitled as above to the sum specified in col. 4 or col. 5 (or either of them) such sum or sums are payable to the incumbent, if he was incumbent of the parish immediately before 1 January 1977; and the sum shown in col. 2 as payable to the parochial church council shall be reduced accordingly.

Burial of still-born infant

2. No fee is payable in respect of the burial of a still-born infant, or for the funeral or burial of an infant dying within the neo-natal period of 28 days after birth.

Cremated remains in churches or closed churchyards

3. Where cremated remains are buried in or under a church or in a closed churchyard, the fees payable to the incumbent and the parochial church council are:

- (i) where burial is authorised by a general faculty, the same as those laid down in Part I of this table for burial in a churchyard;
- (ii) where burial is authorised by a particular faculty, such sums as may be determined by the chancellor.

Monuments in churchyards

4. The fees marked (*) include fees for the original inscription. Where a monument in a churchyard is erected or an additional inscription on a monument is made **under the authority of a particular faculty** the fees payable to the incumbent and the parochial church council or either of them shall be such sums as may be determined by the chancellor who shall specify the persons entitled to receive them.

Monuments in churches

5. Where a faculty is granted in connection with the erection of a monument or tablet in a church or any additional inscription thereon, the fees payable to the incumbent and the parochial church council or either of them shall be determined by the chancellor who shall specify the persons entitled to receive them.

The incumbent's fees

6. The incumbent may direct either generally or in particular cases that any fee which would otherwise be payable to him shall be payable to the minister performing the service or duty.

Reservation of grave space: vaults

7. Payment of any of the fees prescribed by this table does not confer any right to construct a new vault or an exclusive right to a grave or vault. Where a faculty is granted conferring rights for a period specified in the faculty, the fees payable to the incumbent and the parochial church council or either of them shall be determined by the chancellor who shall specify the persons entitled to receive them.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Searches in Church Registers, etc

8. The search fee relates to a “particular search” where the approximate date of the baptism, marriage or burial is known. The fee for a more general search of a church register would be negotiable with the incumbent and the parochial church council.

EXPLANATORY NOTE

(This note is not part of the Order)

Article 1 and the Schedule establish a new table of fees payable for certain matters in connection with baptisms, marriages and burials, for the erection of monuments in churchyards and for other miscellaneous matters. The fees are in substitution for fees prescribed by the Parochial Fees Order 1988.
