- (e) in connection with any work, facility or transaction of a kind specified in paragraph 5 in column 1 of Schedule 1 unless that Minister is satisfied that the person through whom the business is carried on practises farming as his main occupation, in that not less than half of his annual income, calculated in accordance with the provisions of sub-paragraph (2) below, is derived from agricultural activities relating to that business and the amount of time spent by him in those activities is more than 1,100 hours per year;
- (f) in connection with any work, facility or transaction of a kind specified in paragraph 1(b) or (c) or 5 in column 1 of Schedule 1 unless written notification of the work, facility or transaction was given to the appropriate Minister in such form as he may require and that notification was acknowledged by him before the expenditure was incurred.

(2) For the purposes of sub-paragraph (1)(e) above a person's annual income shall be calculated by reference to the financial year immediately preceding the day on which the claim for grant is submitted or such other period as the appropriate Minister shall determine, being a period which he is satisfied gives a fair indication of the normal amount of income of that person and the normal amount of income derived from agricultural activities in the business by that person.

(3) Where at the date on which a claim for grant under paragraph 3(1) is received by the appropriate Minister—

- (a) the amount of the expenditure, other than expenditure incurred in respect of any work, facility or transaction of a kind specified in paragraph 5 in column 1 of Schedule 2, which is included in the claim (hereinafter in this paragraph referred to as “the present claim”) and towards which grant is payable, or
- (b) the aggregate of the amount of that expenditure and any other relevant expenditure towards which grant is payable or has been paid in respect of the same agricultural business, whether under this Scheme or otherwise, as the result of a claim received during the period of six years ending with the date of receipt of the present claim,

exceeds £35,000 per labour unit reasonably required in the carrying on of the agricultural business to which the present claim relates or £74,000 for the business, that Minister shall not pay grant towards so much of that expenditure or, as the case may be, that aggregate as exceeds those figures.

(4) Where the agricultural business to which the present claim under paragraph 3(1) relates includes the breeding or keeping of poultry or the production of eggs, work done in carrying on that part of the agricultural business shall be disregarded for the purposes of calculating under sub-paragraph (3) above the number of labour units reasonably required in the carrying on of the agricultural business, except where the present claim is in respect of any work, facility or transaction of a kind specified in any of paragraphs 1 to 5 in column 1 of Schedule 1.

(5) In this paragraph—

“expenditure” does not include expenditure incurred in respect of any work, facility or transaction of a kind specified in paragraph 9 in column 1 of Schedule 1;

“other relevant expenditure” means expenditure which is included in any previous improvement plan approved under the 1980 Regulations or towards which grant is payable or has been paid under this Scheme or the 1985 Scheme, but does not include expenditure incurred in respect of any work, facility or transaction of a kind specified in paragraph 9 in column 1 of Schedule 1 to this Scheme or to the 1985 Scheme or expenditure incurred in respect of the provision, replacement or improvement of shelter hedges (including hedgerow trees and associated protective fencing).

(3) Where it appears to the appropriate Minister that expenditure towards which grant is payable under paragraph 3(1) has been incurred for the purposes of, or in connection with, the carrying on of an agricultural business situated partly in a less-favoured area, the appropriate Minister may for the purpose of determining the amount of grant so payable towards that expenditure treat as having been incurred for, or in connection with, that part of the business situated in the less-favoured area so much of that expenditure as appears to that Minister to be referable to the carrying on of that part of the business.

(4) Subject to sub-paragraph (6) below, the amount of any grant payable under paragraph 3(1) towards expenditure in respect of the carrying out or provision of any work, facility or transaction (including conservation or amenity works) which is not of a kind specified in any of paragraphs 1 to 9 in column 1 of Schedule 1 but is incidental to, or necessary or proper in, the carrying out or provision of any other work, facility or transaction which is of a kind so specified or for securing the full benefit thereof shall be calculated at the rate of grant appropriate to that other work, facility or transaction in accordance with the provisions of this paragraph.

(5) Subject to the provisions of paragraphs 8 and 9, the amount of any grant payable under paragraph 3(1) towards expenditure in respect of any work, facility or transaction of a kind specified in any of paragraphs 1 to 5 in column 1 of Schedule 2 shall be the percentage of that expenditure specified in relation to that work, facility or transaction in column 2 of that Schedule.

- (a) assistance in respect of expenditure towards which such grant is claimed has been or may be given otherwise than under this Scheme, or

EXPLANATORY NOTE

(This note is not part of the Scheme)

This Scheme complies with Article 8 of Council Regulation (EEC) No. 797/85 (OJ No. L93, 30.3.85, p.1) on improving the efficiency of agricultural structures, as amended by Council Regulation (EEC) No. 1760/87 (OJ No. L167, 26.6.87, p.1), and Article 1 of Council Directive No. 75/268/EEC (OJ No. L128, 19.5.75, p.1) on mountain and hill farming and farming in certain less-favoured areas, as amended by Council Regulation (EEC) No. 797/85.

The Scheme applies to Great Britain and makes provision for aid for agricultural businesses in the form of grants in respect of expenditure of a capital nature incurred in relation to specified works, facilities and transactions (paragraph 3 and Schedules 1 and 2). The rates of grant applicable are set out (paragraph 5 and Schedules 1 and 2). Higher rates of grant may be payable for businesses in the Isles of Scilly (paragraph 5(5) and Schedule 2) or in other less-favoured areas (paragraph 5(2) and (3) and Schedule 1). Less-favoured areas are defined by reference to designated maps which are available for inspection during normal office hours at the addresses specified in the definition of designated maps (paragraph 2(1)). Copies of the maps may be inspected during normal office hours at any Regional or Divisional Office of the Ministry of Agriculture, Fisheries and Food, at any Divisional Office of the Welsh Office Agriculture Department or at any Area Office of the Department of Agriculture and Fisheries for Scotland.

The Scheme also—

- (a) imposes certain restrictions on the payment of grant (paragraph 4);
- (b) provides for standard costs (paragraph 8);
- (c) provides for the reduction or withholding of grant in certain circumstances where it would otherwise be payable (paragraph 9);
- (d) sets closing dates for claims and closing dates for incurring certain expenditure (paragraph 7).

Variations are also made to the Agriculture Improvement Scheme 1985 (“the 1985 Scheme”) which is now superseded by the present Scheme. The closing date for receipt of claims under the 1985 Scheme in respect of grants in the Isles of Scilly relating to items in Schedule 1A to that Scheme is brought forward from 16th November 1994 to 30th November 1989 (paragraph 10(2) (b)). The closing date for incurring expenditure in relation to such items is brought forward from 16th November 1993 to 19th February 1989 (paragraph 10(3)(c)). The provision, installation or replacement of heating systems in durable plastic-clad structures for horticultural produce is now eligible for grant (paragraph 10(4)). Minor amendments are also made to the application of the closing dates for certain claims and the closing dates for incurring certain expenditure in relation to expenditure on incidental works (paragraph 10(2)(a) and (c) and (3)(a) and (b)).
