## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations further amend the National Health Service (General Medical and Pharmaceutical Services) (Scotland) Regulations 1974 (“the principal Regulations”) which provide the arrangements to be made by Health Boards for the provision in their areas of general medical services and pharmaceutical services.

Regulations 3 and 7 amend the principal Regulations so as to enable a Health Board to make arrangements for the provision of advice to residential and nursing homes by a registered pharmacist, and for the keeping by chemists of records about drugs supplied to certain categories of person. The principal Regulations are also amended to provide for any chemist who has undertaken to provide these new services to make his records available to the Health Board.

Regulation 4 amends the principal Regulations to provide for a list (to be known as the provisional pharmaceutical list) of the names of persons whose applications for inclusion in the pharmaceutical list omit certain information about the premises from which it is intended to provide pharmaceutical services, for such applications to be notified and considered by Health Boards in accordance with the existing provisions and, where the application is granted, for the names of such persons to be transferred to the pharmaceutical list on receipt of the omitted information, and for removal of the names of persons from the provisional pharmaceutical list should such information not be provided within the periods specified in the regulations.

Regulation 6 amends Schedule 2A to the principal Regulations which lists drugs and other substances which cannot be supplied by doctors, or prescribed for supply under pharmaceutical services. The amendments effected by this regulation add some drugs to, and delete one from, that list.

Regulations 8, 9 and the Schedule to these Regulations amend the forms and procedures for applying for entry to the pharmaceutical list which are set out in Part III of Schedule 3 and in Schedule 3A to the principal Regulations.
