EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Food Protection (Emergency Prohibitions) (Contamination of Feeding Stuff) (Wales) (No. 3) Order 1989 (“The principal Order”) which contains emergency prohibitions restricting various activities in order to prevent human consumption of food rendered unsuitable for that purpose in consequence of the escape of lead into imported animal feeding stuff.

This Order removes specified farms, holdings and premises from the area designated by the principal Order within which certain activities are prohibited (article 4(b) and Schedule 1). This Order also designates further farms, buildings and premises (article 4(c) and Schedule 2).

This Order also brings sheep and goats from a limited number of farms, holdings and other premises and certain things derived from such sheep and goats within the scope of the controls imposed by articles 4 to 6 of the principal Order (articles 3 and 4(d) and Schedule 3).
