 - (ii) where the fee is specified in column (b) of Schedule 1, the cancellation fee shall be half of that fee or £165 whichever is the less.

(3) In the case of a further or partial examination of a vehicle or vehicle part in the circumstances described in regulation 6, the cancellation fee shall be such proportion of the fee as the Secretary of State considers to be appropriate.

(This note does not form part of the Regulations)

1. These Regulations consolidate with modifications the provisions of the Motor Vehicles (Type Approval and Approval Marks) (Fees) Regulations 1984.

2. The Regulations prescribe the fees payable for the examination of vehicles and vehicle parts, the examination of complete vehicles and the issue of documents in connection with:—

(3) as a result of new and amending Community Instruments, and ECE Regulations relating to protective steering, braking, anti-theft devices, interior fittings, head restraints, tyres and filament lamps consequential amendments have been incorporated without there being any alteration to the fees;

(4) the fee charged to test the sound level of motorcycles has been moved from the text of the previous Regulations to Schedule 1;

(5) in Schedule 3 the fees for complete examinations carried out on N3 category vehicles have been revised and are now based on the number of axles; and

(6) in Schedule 5 the fees charged for updated certificates are amalgamated with the fees charged for the issue of the original certificate.

(7) the former provisions relating to refunds have not been re-enacted.

4. Copies of the ECE Regulations and Community Instruments referred to in these Regulations may be obtained from Her Majesty's Stationery Office.
