(2) Where, in respect of any quota year, the regional wholesale quota allocated for a region is increased in relation to the preceding quota year, the wholesale quota so added shall create, or be added to, the running regional wholesale reserve for that region.

(3) Where, in respect of any quota year, the regional wholesale quota allocated for a region is reduced in relation to the preceding quota year the wholesale quota so subtracted shall be satisfied from all persons with wholesale quota in proportion to the wholesale quota of each at the start of the quota year (the reduction of purchaser quota to be calculated in accordance with those reductions of wholesale quota).

 - (iii) where any holding in more than one old region is in more than one new region but in different divisions, by aggregating the total wholesale quota relating to that holding and allocating wholesale quota in accordance with paragraph (6) in relation to divisions in new regions;
- (b) the calculation of the running regional wholesale reserve of each new region by aggregating the running regional wholesale reserves of each of the old regions and dividing the aggregate among the new regions proportionally in accordance with the total wholesale quota then allocated in each new region;
- (c) the calculation of the regional wholesale quota of each new region by adding to its aggregate of wholesale quotas (taking account of subparagraph (a)) its running regional wholesale reserve calculated under subparagraph (b).

(6) An allocation is made in accordance with this paragraph by allocating to the division of a holding which contains the dairy unit (where that holding contains a single dairy unit) the total wholesale quota relating to that holding or (in respect of any other holding) allocating to each division of that holding a part of the total wholesale quota relating to that holding calculated proportionally in accordance with the area of that division.

(7) The Minister may at any time reallocate the national wholesale quota among the regions, and where such reallocation is unable to be achieved by the transfer of wholesale quota between running regional reserves, may reduce the regional wholesale quota allocated for a region, the reduction being satisfied from all persons in that region with wholesale quota in proportion to the wholesale quota of each person at the start of the quota year and may pay compensation to persons whose entitlement to quota is so reduced and shall announce these arrangements by advertisement published in the Gazette.

(8) For the purpose of any reallocation of national wholesale quota under paragraph (7) the Minister may remove wholesale quota from any running regional wholesale reserve and add it to any other running regional wholesale reserve.

(3) Following a transaction referred to in paragraph (2) dairy produce previously delivered by wholesale delivery in the quota year of the transaction by any producer involved in that transaction to any purchaser involved in that transaction (and any levy paid or payable in respect of that dairy produce) shall be deemed, for the purpose of calculation of levy, to have been delivered (or paid or payable) proportionally in accordance with changes effected by that transaction.

- (a) the unused quota transferred with such transfers shall not be treated as a part of the transferee's quota entitlement for the quota year in which the transfer took effect but shall nevertheless be treated as if it remained unused quota available for re-allocation by the Minister in the year in which the transfer took place, and
- (b) a transferee shall not be entitled to demand that, by reason of such a transfer, an amendment be made to the amount of quota, if any, which has been reallocated to him under Schedule 8 for the quota year in which the transfer took effect.

(3) A decision by the Minister, together with the date determined by him under paragraph (2) above, shall be announced by advertisement published in the Gazette and the farming press at least two months before that date or, in the event that such publication is not possible for any reason, by such other means of publication as the Minister considers likely to come to the attention of producers.

(2) Where there is an agreement to make a temporary transfer of quota pursuant to paragraph (1) the transferee shall before 31st July in the quota year in question give notification to the Minister of the agreement and of such particulars as the Minister may reasonably require.

Temporary reallocation of quota

(2) This regulation shall apply to—

- (a) a producer to whom an award of quota has been made by the Dairy Produce Quota Tribunal, or one of the local panels constituted under regulation 6(2) of the 1984 Regulations, or to whom an allocation of quota has been made by the Minister under Schedule 12 to the 1986 Regulations, which award or amount of the allocation has been mistakenly entered in the registers prepared and maintained by the Minister under regulation 25 as an amount of quota being more than 100 litres in excess of the amount of the award or the allocation, and
- (b) a producer who has quota registered as his in relation to a holding which is in whole or in part subject to a notice prohibiting or regulating the movement of dairy cows pursuant to an Order made under the Animal Health Act 1981(10) or the Diseases of Animals (Northern Ireland) Order 1981(11).

(3) Subject to paragraph (4), a producer referred to in paragraph (2)(a) above may be awarded a temporary reallocation of unused quota for any quota year ending before 1 April 1992. The amount of any such award shall be calculated either—

- (a) as the amount by which the producer's production exceeds his quota entitlement in the quota year in question, or
- (b) as the amount being the difference between the producer's quota entitlement in the quota year in question and the quota mistakenly having been registered as his, or

(10) 1981 c. 22.

(11) S.I. 1981/1115 (N.I. 22).

(c) as the amount referred to in paragraph (3)(b) above reduced by the amount, if any, by which the direct sales quota mistakenly having been registered as the producer's was less than the direct sales quota to which he is entitled in the quota year in question, whichever amount is less.

(4) An award under paragraph (3) above shall be subject to the following conditions—

- (a) a producer whose production in the quota year in question has not exceeded his quota entitlement shall not be entitled to receive an award for that year;
- (b) a producer who transfers the whole of his quota under regulation 9, or exchanges the whole of his quota under regulation 14, shall not be entitled to receive an award for the quota year in which the transfer took effect or any future quota year;
- (c) a producer who transfers a part of his quota under regulation 9, or exchanges a part of his quota under regulation 14, shall be entitled to receive an award for the quota year in which the transfer or exchange took effect reduced by the amount of quota transferred or exchanged;
- (d) a producer who makes a temporary transfer of quota under regulation 15(1) shall not be entitled to receive an award in the same quota year;
- (e) an award shall not be transferable to the transferee of any holding or part of a holding of a producer to whom an award has or may be made.

(5) Subject to paragraph (7), a producer referred to in paragraph (2)(b) above may be awarded a temporary reallocation of unused quota for any quota year in which the notice referred to in that paragraph has effect. The amount of any such award shall be calculated either—

- (a) as the amount equal to 15 litres per qualifying cow per qualifying day in any quota year, or
- (b) as the amount by which in the quota year in question the producer's production exceeds his quota entitlement,

whichever amount is less.

(6) Where the notice referred to in paragraph (2)(b) above continues beyond the quota year in respect of which a producer has received an award under paragraph (5) above, any award under that paragraph for the following quota year shall be calculated as if the number of the producer's qualifying cows were equal to that of his eligible heifers which calved during the period of the notice in that following quota year, notwithstanding that when any such heifers calved the number of eligible heifers did not exceed the replacement number.

(7) An award under paragraph (5) above shall be subject to the following conditions—

- (a) the total amount of quota temporarily reallocated to producers from the purchaser quota of any purchaser shall not exceed 15 per cent of the total amount of unused quota available to that purchaser in any quota year and the Minister shall, to the extent that it is necessary so to do, abate in whole or in part each such temporary reallocation accordingly;
- (b) a producer who transfers quota under regulation 9, or who makes a temporary transfer of quota under regulation 15(1), or purchases cows or in-calf heifers for dairy purposes, shall not be entitled to receive an award in the same quota year unless the Minister is satisfied that the agreement to transfer, temporarily transfer or purchase, was entered into before service of the notice to which paragraph (2)(b) above refers.

(8) In making any award of a temporary reallocation of unused quota for the purpose of this regulation the Minister shall afford priority to the producers referred to in paragraph (2)(a) above before making any award to the producers to whom paragraph (2)(b) above applies.

(9) In this regulation, "quota", except where otherwise described, means wholesale quota.

(2) Notwithstanding subparagraph (1) above, the transferor or the transferee may at any time within the relevant period make an application to the President of the Royal Institution of Chartered Surveyors (referred to in this Schedule as “the President”) for the appointment of an arbitrator from among the members of the panel referred to in paragraph 8 and the person who makes such an application to the President shall notify the Minister in writing of that fact within fourteen days from the date of the application.

(3) If at the expiry of the relevant period an arbitrator has not been appointed by agreement between the transferor or the transferee nor an application made to the President under subparagraph (2) above, the Minister shall make an application to the President for the appointment of an arbitrator.

(4) Where the Minister gives a notice in accordance with regulation 12 he shall make an application to the President for the appointment of an arbitrator and the Minister shall be a party to the arbitration.

2.—(1) In any case where a prospective apportionment is to be made by arbitration an arbitrator shall be appointed—

- (a) where regulation 12 applies, by the President,

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(b) in any other case, by agreement between the occupier and any other interested party, or, in default, by the President on an application by the occupier.

(2) Where subparagraph (1)(b) above applies, the occupier shall notify the Minister in writing of the appointment of the arbitrator pursuant to the agreement, or of the application to the President for the appointment of an arbitrator, within fourteen days from the date of the appointment of the arbitrator or the date of the application to the President, as appropriate.

3. An arbitrator appointed in accordance with paragraphs 1 and 2 above shall conduct the arbitration in accordance with this Schedule and shall base his award on findings made by him as to areas used for milk production in the five years preceding the change of occupation, or in the case of a prospective apportionment in the five years preceding the appointment of the arbitrator.

4.—(1) No application may be made to the President for an arbitrator to be appointed by him under this Schedule unless the application is accompanied by the prescribed fee for such an application; but once the fee has been paid in connection with any such application no further fee shall be payable in connection with any subsequent application for the President to exercise any function exercisable by him in relation to the arbitration by virtue of this Schedule (including an application for the appointment by him in an appropriate case of a new arbitrator).

(2) The prescribed fee for the purposes of this paragraph shall be that which from time to time is prescribed as the fee payable to the President under paragraph 1(2) of Schedule 11 to the Agricultural Holdings Act 1986(14).

5. Where the Minister makes an application to the President under paragraphs 1(3) or (4) above, the fee payable to the President in respect of that application referred to in paragraph 4 above shall be recoverable by the Minister as a debt due from the other parties to the arbitration jointly or severally.

6. Any appointment of an arbitrator by the President shall be made by him as soon as possible after receiving the application.

7. A person appointed by the President as arbitrator shall, where the arbitration relates to a holding in Wales, and any party to the arbitration so requires, be a person who possesses a knowledge of the Welsh language.

8. For the purposes of paragraph 1(2) the panel of arbitrators shall be the panel appointed by the Lord Chancellor under paragraph 1(5) of Schedule 11 to the Agricultural Holdings Act 1986.

10. No party to the arbitration shall have power to revoke the appointment of the arbitrator without the consent of the other party; and his appointment shall not be revoked by the death of any party.

11. Every appointment, application, notice, revocation and consent under the foregoing paragraphs must be in writing.

12. The remuneration of the arbitrator shall be—

(a) where he is appointed by agreement between the parties, such amount as may be agreed upon by him and the parties or, in default of agreement, fixed by the registrar of the county court (subject to an appeal to the judge of the court) on an application made by the arbitrator or one of the parties,

(b) where he is appointed by the President, such amount as may be agreed upon by the arbitrator and the parties or, in default of agreement, fixed by the President,

(14) 1986 c. 5.

Conduct of proceedings and witnesses

13. The parties to the arbitration shall, within thirty-five days from the appointment of the arbitrator, or within such further period as the arbitrator may permit, deliver to him a statement of their respective cases with all necessary particulars and—

14. The parties to the arbitration and all persons claiming through them respectively shall, subject to any legal objection, submit to be examined by the arbitrator, on oath or affirmation, in relation to the matters in dispute and shall, subject to any such objection, produce before the arbitrator all samples and documents within their possession or power respectively which may be required or called for, and do all other things which during the proceedings the arbitrator may require.

15. Any person having an interest in the holding to which the arbitration relates shall be entitled to make representations to the arbitrator.

16. Witnesses appearing at the arbitration shall, if the arbitrator thinks fit, be examined on oath or affirmation, and the arbitrator shall have power to administer oaths to, or to take the affirmation of, the parties and witnesses appearing.

17. The provisions of county court rules as to the issuing of witness summonses shall, subject to such modifications as may be prescribed by such rules, apply for the purposes of the arbitration as if it were an action or matter in the county court.

18.—(1) Subject to subparagraphs (2) and (3) below, any person who—

- (a) having been summoned in pursuance of county court rules as a witness in the arbitration refuses or neglects, without sufficient cause, to appear or to produce any documents required by the summons to be produced, or
- (b) having been so summoned or being present at the arbitration and being required to give evidence, refuses to be sworn or give evidence,

shall forfeit such fine as the judge of the county court may direct.

(2) A judge shall not have power under sub-paragraph (1) above to direct that a person shall forfeit a fine of an amount exceeding £10.

(3) No person summoned in pursuance of county court rules as a witness in the arbitration shall forfeit a fine under this paragraph unless there has been paid or tendered to him at the time of the service of the summons such sum in respect of his expenses (including, in such cases as may be prescribed by county court rules, compensation for loss of time) as may be so prescribed for the purposes of section 55 of the County Courts Act 1984⁽¹⁵⁾.

(4) The judge of the county court may at his discretion direct that the whole or any part of any such fine, after deducting costs, shall be applicable towards indemnifying the party injured by the refusal or neglect.

19.—(1) Subject to subparagraph (2) below, the judge of the county court may, if he thinks fit, upon application on affidavit by any party to the arbitration, issue an order under his hand for bringing up before the arbitrator any person (in this paragraph referred to as a “prisoner”) confined

in any place under any sentence or under committal for trial or otherwise, to be examined as a witness in the arbitration.

(2) No such order shall be made with respect to a person confined under process in any civil action or matter.

(3) Subject to subparagraph (4) below, the prisoner mentioned in any such order shall be brought before the arbitrator under the same custody, and shall be dealt with in the same manner in all respects, as a prisoner required by a writ of habeas corpus to be brought before the High Court and examined there as a witness.

(4) The person having the custody of the prisoner shall not be bound to obey the order unless there is tendered to him a reasonable sum for the conveyance and maintenance of a proper officer or officers and of the prisoner in going to, remaining at, and returning from, the place where the arbitration is held.

20. The High Court may order that a writ of habeas corpus and testificandum shall issue to bring up a prisoner for examination before the arbitrator, if the prisoner is confined in any prison under process in any civil action or matter.

Award

21.—(1) Subject to subparagraph (2) below, the arbitrator shall make and sign his award within fifty-six days of his appointment.

(2) The President may from time to time enlarge the time limited for making the award, whether that time has expired or not.

(3) The award shall fix a date not later than one month after the delivery of the award for the payment of any costs awarded under paragraph 25 below.

22. The award shall be final and binding on the parties and the persons claiming under them respectively.

23. The arbitrator shall have power to correct in the award any clerical mistake or error arising from any accidental slip or omission.

Reasons for award

24. If requested by any party to the arbitration, on or before the making of the award, to make a statement, either written or oral, of the reasons for the award the arbitrator shall furnish such a statement.

Costs

25. The costs of, and incidental to, the arbitration and award shall be in the discretion of the arbitrator who may direct to and by whom and in what manner the costs, or any part of the costs, are to be paid. The costs for the purposes of this paragraph shall include any fee paid to the President in respect of the appointment of an arbitrator and any sum paid to the Minister pursuant to paragraph 5.

26. On the application of any party, any such costs shall be taxable in the county court according to such of the scales prescribed by county court rules for proceedings in the county court as may be directed by the arbitrator under paragraph 25 above, or, in the absence of any such direction, by the county court.

27.—(1) The arbitrator shall, in awarding costs, take into consideration—

- (a) the reasonableness or unreasonableness of the claim of any party, whether in respect of amount or otherwise,

- (b) any unreasonable demand for particulars or refusal to supply particulars, and
- (c) generally all the circumstances of the case.

(2) The arbitrator may disallow the costs of any witness whom he considers to have been called unnecessarily and any other costs which he considers to have been incurred unnecessarily.

Special case, setting aside award and remission

28. The arbitrator may, at any stage of the proceedings, and shall, upon a direction in that behalf given by the judge of the county court upon an application made by any party, state in the form of a special case for the opinion of the county court any question of law arising in the course of the arbitration and any question as to the jurisdiction of the arbitrator.

29.—(1) Where the arbitrator has misconducted himself, the county court may remove him.

(2) Where the arbitrator has misconducted himself, or an arbitration or award has been improperly procured, or there is an error of law on the face of the award, the county court may set the award aside.

30.—(1) The county court may from time to time remit the award, or any part of the award, to the reconsideration of the arbitrator.

(2) In any case where it appears to the county court that there is an error of law on the face of the award, the court may, instead of exercising its power of remission under subparagraph (1) above, vary the award by substituting for so much of it as is affected by the error such award as the court considers that it would have been proper for the arbitrator to make in the circumstances; and the award shall thereupon have effect as so varied.

(3) Where remission is ordered under that subparagraph, the arbitrator shall, unless the order otherwise directs, make and sign his award within thirty days after the date of the order.

(4) If the county court is satisfied that the time limited for making the said award is for any good reason insufficient, the court may extend or further extend that time for such period as it thinks proper.

Miscellaneous

31. Any amount paid, in respect of the remuneration of the arbitrator by any party to the arbitration, in excess of the amount, if any, directed by the award to be paid by him in respect of the costs of the award shall be recoverable from the other party or jointly from the other parties.

32. For the purposes of this Schedule, an arbitrator appointed by the President shall be taken to have been so appointed at the time when the President executed the instrument of appointment; and in the case of any such arbitrator the periods mentioned in paragraphs 13 and 21 above shall accordingly run from that time.

33. Any instrument of appointment or other document purporting to be made in the exercise of any function exercisable by the President under paragraphs 1, 2, 6, 7, 12 or 21 above and to be signed by or on behalf of the President shall be taken to be such an instrument or document unless the contrary is shown.

34. The Arbitration Act 1950(16) shall not apply to an arbitration determined in accordance with this Schedule.

(16) 1950 c. 27, to which there are amendments not relevant to these Regulations.

6. If the person appointed arbiter dies, or is incapable of acting, or for seven days after notice from any party requiring him to act fails to act, a new arbiter may be appointed as if no arbiter had been appointed.

7. No party to the arbitration shall have power to revoke the appointment of the arbiter without the consent of all other parties.

8. Every appointment, application, notice, revocation and consent under the foregoing paragraphs must be in writing.

9. The remuneration of the arbiter shall be—

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations consolidate with amendments the Dairy Produce Quotas Regulations 1986, the Dairy Produce Quotas (Amendment) Regulations 1988 and the Dairy Produce Quotas (Amendment) Regulations 1989. The Regulations apply throughout the United Kingdom, with the minor exception of regulation 21 which applies only to Northern Ireland, and come into force on 31 March 1989.

The main amendments are as follows—

1. Minor changes have been made to certain of the definitions in order to update them (regulation 2).

2. Article 12(1) of Commission Regulation (EEC) No. 1546/88 gives Member States a discretion to permit certain producers to choose an alternative base year in respect of which to calculate the fat content of their milk for levy purposes. The Regulations specifically enable the Minister to implement a producer's choice of an alternative base year (regulation 6).

3. Any change of occupation of a holding must be notified to the Minister within 2 months on a form which is to be prescribed for the purpose. Certain changes of occupation of small areas of land in England and Wales are no longer exempt from the application of the transfer rules. Also those transfer rules no longer apply where a person occupied land under such an agreement and lawfully continued in occupation until a date one month after the termination of his interest in the land (regulation 9).

Transfers which take place immediately before the end of a quota year cause problems as regards the calculation of levy liability unless they are promptly notified to the Minister, as otherwise it is impossible to assess how much unused quota is available for re-allocation amongst over-quota producers. In order to minimise these problems the Minister may set a date after the end of the quota year in question by which the person to whom quota is transferred must notify him of the transfer. Anyone who fails to notify the Minister by that date may only make use of the transferred quota to offset his levy liability in the following quota year, not the year in which the transfer actually took place. Such quota is nevertheless to be treated as being available for re-allocation by the Minister in the year in which the transfer took place (regulation 9(2)(a)).

4. The provision which previously allowed a purchaser and producer to agree a change in the identification of that producer's holding for the purpose of management of wholesale quotas by purchasers has not been re-enacted.

5. The Minister has been given the power to make a temporary reallocation of quota, in certain circumstances, to producers to whom the Dairy Produce Quota Tribunal or one of its local panels has made an award of quota, or to whom the Minister has allocated quota under Schedule 12 to the 1986 Regulations, where that award or allocation of quota has been entered incorrectly in the quota register maintained by the Minister (regulation 16).

6. New arbitration procedures have been introduced which are similar to those which operate under the agricultural holdings legislation, and contain in particular new statutory time limits within which certain steps in the arbitration must be taken (Schedule 4, 5 and 6).

7. Supplementary levy liability is calculated at purchaser level for wholesale producers and nationally for direct sellers, which allows the unused quota of under quota producers to be used to

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

offset over-production by over quota producers. The Minister is given a power to instruct purchasers of the optimum amount to convert to keep the United Kingdom's levy to a minimum (Schedule 7).

8. The provisions in relation to calculation of levy liability have been replaced to take into account the fact that deliveries of milk against a purchaser's quota must be adjusted having regard to any increase in the butterfat content before the process for calculating the liability for levy may commence (Schedule 8).

9. Certain provisions which previously applied throughout the United Kingdom, and which enabled the Minister to make allocations of quota to producers in a number of different circumstances, have been deleted because they are no longer relevant. In relation to Northern Ireland only, however, provisions have been retained to enable the Minister to make any additional allocation of quota in cases of exceptional hardship and to certain small producers (Schedule 9).
