### **Set-off**

5.—(1) Where any syndicate profit or loss returned by an agent under paragraph 2(1) of Schedule 16A includes any syndicate investment income which has suffered tax by way of deduction, the tax so deducted shall be set in the first place against the amount (if any) payable under paragraph 3(1)(a) of Schedule 16A.

(2) Where, under the provisions of section 87 of the Finance Act 1972(5), the aggregate amount of any such income includes an amount of tax credit, the amount of that credit shall be set in the first place against the amount so payable.

(3) Where any such income includes interest or dividends to which the Income Tax (Building Societies) Regulations 1986(6) apply, the amount actually paid or credited shall be deemed to be a net amount corresponding to a gross amount from which income tax has been deducted at the basic rate for the year 1986–87.

failed to deliver it unless the excuse had ceased and, after the excuse ceased, not to have failed to deliver it if he did so without unreasonable delay after the excuse had ceased.

### **Determinations and notices of determinations**

**8.** The like provisions as are contained in sections 113(1B) and (3) and 114(2) of the Taxes Management Act 1970(7) shall apply to a determination or a notice of a determination under Schedule 16A as if the determination were an assessment and the notice of the determination were a notice of an assessment.

### **Error or mistake**

**9.—(1)** If an agent alleges that a determination under paragraph 4 of Schedule 16A was excessive because of some error or mistake in a return made by him under paragraph 2 of that Schedule, he may by notice in writing at any time not later than six years after the end of the year of assessment 1988–89 make a claim to the Board for relief.

(2) On receiving the claim the Board shall inquire into the matter and having regard to all the relevant circumstances of the case, but subject to paragraph (3), give by way of repayment or otherwise such relief in respect of the error or mistake as is reasonable and just.

(3) No relief shall be given under this regulation in respect of an error or mistake as to the basis on which the syndicate profit or loss ought to have been computed where the return was in fact made on the basis or in accordance with the practice generally prevailing at the time when the return was made.

(4) An appeal may be brought against the decision of the Board on the claim, by giving written notice to the Board within 30 days of receipt of written notice of that decision and the Special Commissioners shall hear and determine the appeal in accordance with the principles to be followed by the Board in determining claims under this regulation; and either the appellant or the Board shall be entitled to require a case to be stated under the like provisions as are contained in section 56 of the Taxes Management Act 1970(8) but only on a point of law arising in connection with the computation of profits or losses.

(5) In this regulation “return” includes the documents referred to in paragraph 2(1)(b) and (c) of Schedule 16A.

### **Agents**

**10.—(1)** For the purposes of Schedule 16A and of these Regulations, if the person who is acting as agent in respect of the underwriting year corresponding to the year of assessment 1986–87 is different from the person who was so acting at the end of that underwriting year (in this regulation referred to as “the original agent”), then “agent” has the meaning given to it by sub-paragraph (a) or, as the case may be, sub-paragraph (b) of paragraph (2).

(2) If the original agent ceases so to act—

(a) before the beginning of the year of assessment 1989–90, then “agent” means—

(i) the person who is so acting at the beginning of that year of assessment, or

(ii) if that person ceases so to act, such person as the Board may determine having regard to all the circumstances;

(b) after the end of the year of assessment 1988–89, then “agent” means such person as the Board may determine having regard to all the circumstances.
