Alteration of constitution

3.—(1) As from the appointed day the Company shall consist of thirty-six guardians, being persons appearing to have a concern with the continuance of any Assay Office operated by the Company; and in their appointment regard shall be had to the need for securing that the guardians shall include persons who are suitably experienced and qualified as follows:—

- (a) six or more persons (but not more than nine), by virtue of their engagement wholly or mainly in trading in, or manufacture of, articles of precious metal;

- (d) one or more persons, by virtue of their employment full time in the management of the Office;
- (e) one or more persons, by virtue of their full time employment by the Company, but not being employed full time in the management of the Office.

(2) Before making appointments in accordance with paragraph (1) of this article, the guardians shall undertake such consultations as are appropriate.

(3) The guardians holding office immediately before the appointed day—

- (a) shall, after consultation with the British Hallmarking Council, which shall be given at least one month’s written notice of the guardians' proposals, appoint persons as guardians (who may include persons from their own number who are suitably qualified and experienced) pursuant to paragraph (1) of this article who are to hold office as from that day; and
- (b) shall retire from the office they held before the appointed day at the end of the general meeting of the Company held on that day.

(4) The guardians first appointed under paragraph (3) of this article shall be appointed as respects—

- (b) nine, until the end of the annual meeting held in 1991;
- (c) nine, until the end of the annual meeting held in 1992; and
- (d) nine, until the end of the annual meeting held in 1993.

(5) Subject as regards the appointment of the guardians first appointed, to paragraphs (3) and (4) of this article, appointments of persons as guardians shall be made at a general meeting by the guardians holding office for the time being; and, subject to the provisions of this Order, any guardian

so appointed shall, unless he shall previously die or resign or be removed from office, hold office until the end of the fourth annual meeting following the meeting at which he is appointed.

(6) Before taking up his appointment every guardian shall sign an undertaking in a form from time to time approved by the Company that he will diligently fulfil the duties of his office and not disclose, otherwise than as may be necessary in the course of his office or with the consent in writing of the person having a right so to disclose, information respecting either any trade secret or procedure used in carrying on a particular undertaking (whether of the Company or otherwise) or any pattern, design or invention of or relating to any article brought to be assayed, being information given to him or obtained by him by virtue of his office. Failure to sign the said undertaking shall disqualify the guardian from office as guardian.

Resignations, vacancies, etc

4.—(1) A guardian may at any time by notice in writing to the Company resign his office.

(2) A casual vacancy arising in the office of a guardian may be filled by the guardians and a person appointed to fill a casual vacancy shall, unless he shall previously die or resign or be removed from office, hold office from the date of his appointment until the expiry of the term of office for which the person he replaces was appointed.

(3) A person retiring from the office of a guardian shall, unless otherwise disqualified, be eligible for re-appointment.

(4) No person shall be capable of being appointed a guardian if at the time of his appointment he has attained the age of seventy. A guardian shall retire at the end of the annual meeting next following his attaining the age of seventy (or, if he attains that age on the day of an annual meeting, then at the end of that meeting) and, unless the guardian would otherwise have retired at the end of that meeting, the vacancy arising shall be deemed to be a casual vacancy. No person shall be eligible for appointment as a guardian until he has attained the age of twenty-five.

(5) A guardian shall forthwith cease to hold office upon the passing of a resolution at a meeting of the guardians of the Company for the time being by a majority of at least two-thirds of all the guardians attending the meeting that he is unfit to continue in that office. Twenty-eight days notice shall be required of a resolution to remove a guardian under this paragraph. The guardian concerned may make with respect thereto representations in writing to the Company (not exceeding a reasonable length) and, unless the representations are received by it too late for it to do so, the Company shall send a copy thereof to every guardian.

Quorum and proceedings

5.—(1) The quorum required for a meeting of the guardians shall be one-third of their number or, if the number of guardians for the time being be not divisible by three, then one-third of the next highest number which is so divisible.

(2) The proceedings of the guardians shall not be invalidated by any vacancy in their number or by any defect in the appointment or qualification of any person as a guardian.

(a) (3) (a) It shall be the duty of a guardian who is in any way, whether directly or indirectly, interested in a contract, transaction or arrangement or proposed contract, transaction or arrangement with the Company to declare the nature of his interest at a meeting of the guardians when the subject matter of such meeting includes, or may include, matters relating to such contract, transaction or arrangement.

(b) A guardian shall not vote in respect of any contract, transaction or arrangement in which he is so interested, and if he shall do so his vote shall not be counted, nor shall he be counted in the quorum present at the meeting.

(4) At any meeting of the guardians, the guardians shall elect one of their number to take the chair for that meeting and the person so elected shall, in the case of an equality of votes, have a second or casting vote.

(5) Subject to the provisions of this Order and to any other provisions of the Birmingham Assay Office Acts and Order 1824 to 1989, and the Hallmarking Act 1973, the procedure and business of the guardians shall be regulated in such manner as they may from time to time determine.

Wardens' Committee

(a) **6.** (1) (a) On the appointed day the guardians shall appoint from their number as wardens to the committee of the Company known as "the wardens" not less than six nor more than nine persons suitably experienced and qualified. At each subsequent annual meeting the guardians may appoint further wardens so that however there shall be not less than six nor more than nine wardens: Provided that not less than two nor more than one-third of the wardens shall be persons engaged wholly or mainly in trading in, or manufacture of, articles of precious metals.

(b) If for any reason a warden shall cease to be a guardian, his office as warden shall automatically determine.

(c) Subject to the provisions of paragraph (1)(a) above, the wardens may fill any casual vacancy in their membership and (subject to any direction by the guardians in general meeting) may make additions thereto, and any warden so appointed shall hold office only until the end of the next following annual meeting and shall then be eligible for re-election but shall not be taken into account in determining the wardens who are to retire by rotation at such meeting.

(2) Unless he shall previously die or resign or be removed from office, and subject to the provisions of this Order and to the resolution under which he is appointed, a person appointed a warden shall hold office until he retires under paragraph (4) hereof.

(3) The quorum required for a meeting of the wardens shall be three: Provided that a quorum shall not be present unless of those present at least a majority in number are persons who are not engaged wholly or mainly in trading in, or manufacture of, articles of precious metals.

(4) At the end of each annual meeting one-third of the whole number of wardens shall retire from office or, if their number be not divisible by three, then such number proximate to one-third of the whole shall retire, as the wardens may determine; and those retiring shall be the wardens for the time being who have served the longest periods since their respective last appointments to office as wardens; and, in the case of wardens who have served an equal period, any determination of which of them should retire shall (unless the wardens otherwise determine) be by lot.

(5) At the first meeting of the wardens held following each annual meeting the wardens shall, from their number and in accordance with any conditions of election which the guardians may for the time being by resolution impose, elect a chairman and a chairman so elected unless he shall previously die or resign or be removed from office, or cease to be a guardian, shall hold office as chairman until the commencement of the first meeting of the wardens following the next annual meeting; and no guardian appointed in accordance with article 3(1)(a), (d) or (e) shall be eligible for election as chairman of the wardens.

(6) The provisions of article 4 (Resignations, vacancies, etc) and paragraphs (2) and (3) of article 5 (Quorum and proceedings) of this Order shall with necessary modifications apply to the wardens and the offices of those members as those provisions apply to the guardians and their offices. At any meeting of the wardens, the chairman shall, in the case of an equality of votes, have a second or casting vote.

(7) Subject to the direction of the guardians and to any limitations imposed in any terms of reference given by the guardians to the wardens, the wardens shall be responsible for the general

management of the business of the Office, including (but without prejudice to the generality of the foregoing):—

- (a) the appointment and terms and conditions of employment of the assayer to, and other officers and employees of, the Company;
- (b) the exercise of the powers of article 11 (Power to borrow) of this Order;
- (c) subject to section 12 of the Hallmarking Act 1973, prescribing the charges to be made by the Company; and
- (d) prescribing, altering and revoking (as occasion may require) rules and regulations for the management and government of the Office including fixing the time and manner for receiving in and delivering out of articles of precious metal brought to be assayed, and any such rules and regulations may repeal, alter or revoke (in whole or in part) any byelaws, rules, orders or regulations of the Company made under section 7 (Power to make byelaws) of the Birmingham Assay Office Act 1824 or otherwise.

(8) The wardens may appoint one or more sub-committees for any purpose specified by them, and may include therein persons who are not wardens: Provided that all members of such sub-committees shall be guardians.

(9) The wardens may be paid for their services such sum or sums, on a basis related to the duties they perform, including their attendance at meetings of the wardens and at meetings of any sub-committees established by the wardens, as may from time to time be authorised by resolution of the guardians, and may also be repaid their reasonable out of pocket expenses incurred in their capacity as wardens; and payments to such wardens in respect of their services shall be identified in the accounts of the Company presented to each annual meeting in accordance with article 10 of this Order.

(10) If a manufacturer or other person sending articles for assay and hallmarking to the Company disputes the reasonableness of any byelaw, rule or regulation prescribed by the Company, he shall have the right to refer the dispute to, and for it to be settled by, a single arbitrator to be agreed between the parties or (if the parties shall fail to appoint an arbitrator within one calendar month of either party serving on the other party a written notice to concur in the appointment of an arbitrator) a person to be appointed on the application of either party, after written notice to the other, by the Chairman of the British Hallmarking Council.

Appointment of officers and employees

7. It shall be a term of the employment of every officer and employee that he shall not disclose, otherwise than as may be necessary in the course of his employment or with the consent in writing of a person having a right so to disclose, information respecting either any trade secret or procedure used in carrying on a particular undertaking (whether of the Company or otherwise) or any pattern, design or invention of or relating to any article brought to be assayed, being information given to him or obtained by him by virtue of his employment.

Acquisition and disposal of land

8.—(1) The Company may acquire by agreement any land for the purposes of any of its functions, and notwithstanding that the land is not immediately required for any such purpose.
