(2) A committee or joint committee appointed under this regulation may, subject to such directions as may be given by the Secretary of State or the Authority or Authorities, appoint sub-committees consisting wholly or partly of members of the committee or joint committee (whether or not they are members of the Authority or Authorities in question) or wholly of persons who are not members of the Authority or Authorities or the committee of the Authority or Authorities in question.

Arrangements for the exercise of functions

18. Subject to such directions as may be given by the Secretary of State and, in the case of a District Health Authority in England by the relevant Regional Health Authority, an Authority may make arrangements for the exercise, on behalf of the Authority, of any of its functions by a committee, sub-committee or joint committee appointed by virtue of regulation 17 or by an officer of the Authority, in each case subject to such restrictions and conditions as the Authority thinks fit.

20.—(1) Subject to the following provisions of this regulation, if the chairman or a member has any pecuniary interest, direct or indirect, in any contract, proposed contract or other matter and is present at a meeting of the Authority at which the contract or other matter is the subject of consideration, he shall at the meeting and as soon as practicable after its commencement disclose the fact and shall not take part in the consideration or discussion of the contract or other matter or vote on any question with respect to it.

(2) The Secretary of State may, subject to such conditions as he may think fit to impose, remove any disability imposed by this regulation in any case in which it appears to him in the interests of the health service that the disability shall be removed.

(3) An Authority may, by Standing Orders made under regulation 19(2), provide for the exclusion of the chairman or a member from a meeting of the Authority while any contract, proposed contract or other matter in which he has a pecuniary interest, direct or indirect, is under consideration.

(4) Any remuneration, compensation or allowances payable to the chairman or a member by virtue of paragraph 9 of Schedule 5 to the 1977 Act (pay and allowances) shall not be treated as a pecuniary interest for the purpose of this regulation.

- (a) of his membership of a company or other body if he has no beneficial interest in any securities of that company or other body;

(b) of an interest in any company, body or person with which he is connected as mentioned in paragraph (5) which is so remote or insignificant that it cannot reasonably be regarded as likely to influence a member in the consideration or discussion of or in voting on, any question with respect to that contract or matter.

(7) Where the chairman or a member has an indirect pecuniary interest in a contract, proposed contract or other matter by reason only of a beneficial interest in securities of a company or other body, and the total nominal value of those securities does not exceed £5,000 or one-hundredth of the total nominal value of the issued share capital of the company or body, whichever is the less, and if the share capital is of more than one class, the total nominal value of shares of any one class in which he has a beneficial interest does not exceed one-hundredth of the total issued share capital of that class, this regulation shall not prohibit him from taking part in the consideration or discussion of the contract or other matter or from voting on any question with respect to it, without prejudice however to his duty to disclose his interest.

(8) This regulation applies to a committee or sub-committee and to a joint committee or sub-committee as it applies to an Authority and applies to a member of any such committee or sub-committee (whether or not he is also a member of an Authority) as it applies to a member of an Authority.

These Regulations make provisions concerning the membership and procedure of Regional and District Health Authorities established under the National Health Service Act 1977. They include in Part II provisions relating to the numbers of members and conditions of membership (regulations 2 to 6 and Schedule 1), the tenure of office of members and termination of tenure of office and eligibility for reappointment (regulations 7 to 12) and for disqualification for appointment and cessation of disqualification (regulations 13 and 14). In Part III provisions are included relating to vice-chairman (regulations 15 and 16), the appointment of and exercise of functions by committees and sub-committees (regulations 17 and 18) and meetings and proceedings including disability for taking part in proceedings on account of pecuniary interest (regulations 19 and 20 and Schedule 2).
