Where the Liquidators make use of the procedure allowed by this paragraph, they shall send out to the Commissioners or their representatives (as the case may be) a statement incorporating the resolution to which their agreement is sought, each resolution (if more than one) being set out in a separate document. The resolution is deemed to have been passed by the Commissioners if and when the Liquidators are notified in writing by a majority of the Commissioners that they concur with it. A copy of every resolution passed under the paragraph and a note that the Commissioners' concurrence was obtained, shall be kept with the records of the liquidation.

(6) Within the 5 weeks immediately preceding the Liquidation Date, or on the Liquidation Date but before the passing of the resolution, a majority of the Commissioners shall make a statutory declaration to the effect that they have made a full inquiry into the Commissioner's affairs and that, having done so, they have formed the opinion that the Commission will be able to pay its debts in full, together with interest (at the rate set out in Rule 4.93(6) of the Insolvency Rules) within such period, not exceeding 12 months from the commencement of the winding up, as may be specified in the declaration. (9) The Liquidators shall before the expiration of 15 days immediately following the Liquidation Date publish in the London Gazette, the Edinburgh Gazette and the Times newspaper and deliver to the Secretary of State for Transport a notice that the Commission passed on the Liquidation Date a resolution for its winding up and notice of their appointment and shall also publish in the London Gazette, the Edinburgh Gazette and the Times newspaper notice that any claims against the Commission must be submitted in writing to the Liquidators within such period as is specified in the notice, being no less than 28 days from the date of publication of the notice.

Forms of proof shall be sent out by the Liquidators to every creditor of the Commission who is known to them or is identified in the Commission's statement of affairs before the expiration of 15 days immediately following the Liquidation Date. The creditor's proof of debt shall include those matters set out in Rule 4.75 of the Insolvency Rules, and shall specify any documents by reference to which the debt can be substantiated. If the Liquidators reject a proof in whole or in part, they shall prepare a written statement of their reasons for doing so, and send it forthwith to the creditor. Subject to prior payment of such debts, the Commission's property shall be applied in satisfaction of the Commission's liabilities *pari passu* and, subject to that application, be distributed to each Competent Harbour Authority in the same proportion that the payments made by each Competent Harbour Authority to the Commission in respect of levies raised by the Commission for the period from 1 October 1988 to 30 June 1989 bears to the total of such payments made by all the Competent Harbour Authorities in respect of such

levies for such period. The Commission will upon request by the Liquidators provide a certificate as to such payments and the proportions thereof.

(14) The Liquidators shall prepare accounts of all receipts and payments and a report of their acts and dealings within 28 days after being requested to do so by a majority of the Commissioners or the Secretary of State for Transport. The Liquidators shall also prepare and submit a final account and report upon completion of the winding up which shall be submitted to the Secretary of State for Transport, each Commissioner and each Competent Harbour Authority.

(15) The Liquidators shall when submitting the final account and report of the winding up to the Secretary of State for Transport certify in writing to the Secretary of State that the assets of the Commission have been realised, there are no unsettled claims of which they are aware, the liabilities of the Commission have been paid and any surplus has been distributed in accordance with paragraph (13) of this Article. ## EXPLANATORY NOTE

*(This note is not part of the Order)*

**1.** In accordance with section 26(2) of the Pilotage Act 1987 the Pilotage Commission submitted, on 14th March 1989, to the Secretary of State a scheme for the winding-up of the Commission and the disposal of the property, rights and liabilities of the Commission and the arrangements to be made as respects its staff. The Scheme is set out in Schedule 1 to the Order.

**2.** This Order, made under section 26(3) of the Pilotage Act 1987, makes provision for the transfer of the property, rights and liabilities of the Pilotage Commission on its abolition and

makes arrangements for the Commission's staff, in accordance with that Scheme subject to certain modifications which are set out in Schedule 2.

**3.** The modifications principally provide:

(1) that the Pilotage Commissioners (rather than the liquidators organising the winding-up) exercise the Commission's continuing function under s.28(8) of the Pilotage Act 1987 of determining disputes about entitlements to payment under pilots' compensation schemes;

(2) that competent harbour authorities will remain liable, in the same proportion that they receive assets, for any outstanding liabilities after the Commission's abolition (the Scheme provides for all known liabilities to be discharged before its completion); and

(3) that the Commission's assets (and functions) in connection with two Schemes under section 24 of the Pilotage Act 1987 (transfer of property, rights and liabilities of pilotage authorities to competent harbour authorities) are vested in the Secretary of State to deal with them in accordance with the respective Schemes. The two Schemes are the only uncompleted ones, following the abolition of pilotage authorities on 1st October 1988.
