2.—(1) In these Regulations—

“the 1984 Act” means the Road Traffic Regulation Act 1984;

“fire authority” in relation to any road or other place, means the authority discharging in the area in which the road or other place is situated the functions of fire authority under the Fire Services Act 1947(3);

“relevant local authority” means—

- (a) in relation to a reserve power order—
 - (i) where the order is made or proposed to be made by virtue of paragraph 3 of Schedule 9 to the 1984 Act, the Council of a London Borough, the Common Council of the City of London or other local authority to whom there has been given under paragraph 2 of the said Schedule 9 the direction, for the purpose of securing the object for which the order is made or proposed to be made,
 - (ii) where the order is made or proposed to be made under paragraph 7 of Schedule 9 to the 1984 Act the Council of a London Borough, the Common Council of the City of London or other local authority whose order is or is proposed to be varied or revoked by the reserve power order,

 - (i) where the order applies or will apply to a road in Greater London, the Council of a London Borough or the Common Council of the City of London,
 - (ii) where the order applies or will apply to a road outside Greater London, the local authority who would have the power under the 1984 Act to make the order if the road were not a trunk road,
- (c) in relation to a countryside road order, the local authority who have power under section 1 of the 1984 Act to make such an order as respects the road to which the countryside road order applies or will apply,

and where under the foregoing provisions of this definition there would in relation to any particular order be more than one relevant local authority, that expression shall in the case of that order include all of those authorities;

“reserve power order” and “trunk road order” have the meanings respectively given to those expressions in regulation 3; and

“road” includes any length of road and any part of the width of a road and, in relation to an order under section 6 of the 1984 Act, any length of a street as defined in section 6(6) of that Act and any part of the width of such a street.

(2) A reference in these Regulations to an order is a reference to an order or a proposed order as appropriate; and in the case of a proposed order any reference to the effect of the order (however expressed) is a reference to the effect that the proposed order would have were it to be made.

(3) Any reference in these Regulations to an order under any particular section of the 1984 Act includes—

- (a) a reference to an order varying or revoking an order made, or having effect as if made, under that section, and

(3) Paragraph (2) of regulation 6 shall apply in relation to the publication of a notice under paragraph (2) of this regulation as it applies in relation to the publication of a notice of proposals under regulation 6.

(4) Where the notice of proposals published under regulation 6 announces the holding of a public inquiry, there shall be at least 42 days between the date that the Secretary of State complies with paragraph (1)(a) and (b) of that regulation and the date when the public inquiry is due to begin.

Special provisions for orders giving permanent effect to experimental orders

19.—(1) In this regulation “permanent order” means an order under any provision of the 1984 Act other than section 9 the sole effect of which would be to reproduce and continue in force indefinitely an order under section 9 (whether or not that order has been varied, or has been modified or suspended under section 10(2) of that Act).

(2) Regulations 5, 6 and 7 shall not apply to a permanent order where—

- (b) the requirements mentioned in paragraph (3) have been complied with in relation to the order under section 9 of the 1984 Act, or if more than one such order is involved, to each such order (an order under that section containing provisions to be so continued in force being in this regulation referred to as a “relevant section 9 order”).

- (c) those documents and that statement have continued to be available for inspection in accordance with Schedule 3 during the whole of the period within which objections can be made in accordance with sub-paragraph (a)(ii) above; and
- (d) in a case where a relevant section 9 order has been modified pursuant to subsection (2) of the said section 10, a document stating the effect of each such modification has been made available for inspection along with the documents and statement referred to in sub-paragraph (c) above and for the period mentioned in that sub-paragraph.

(4) In the application of regulations 8(2), 9, 10 and 14 and of Part III of Schedule 1 to a permanent order to which regulations 5, 6 and 7 do not apply by virtue of paragraph (2) above—

- (a) a reserve power order under paragraph 7 of Schedule 9 to the 1984 Act which provides only for one or more of the following matters—
 - (i) the revocation of an order made, or having effect as if made, under section 9(1) of that Act;

- (b) a reserve power order under section 9(4) of the 1984 Act by virtue of paragraph 3 of Schedule 9 to that Act.

(2) Regulations 5 and 6 shall not apply to any order to which this regulation applies, but the Secretary of State shall, not less than 14 days before making the order, send to the relevant local authority a notice of his proposal to make the order, a copy of the order as drafted and a statement of his reasons for proposing to make the order.

(4) Subject to paragraph (6), Parts II and III of these Regulations shall apply to an order made or proposed to be made by virtue of this regulation as if the procedural steps previously taken under these Regulations, and any notices published or instruments prepared under them, in connection with the order as originally proposed had related only to the provisions of the order made or proposed to be made by virtue of this regulation (whether or not any previous order has been made by virtue of this regulation).

(5) No order may be made by virtue of paragraphs (2) or (3) after the expiration of 12 months from the date of an order made by virtue of paragraph (1) relating to the same original order unless the order made by virtue of paragraphs (2) or (3) is made in consequence of a public inquiry which begins before the expiration of that period.

22.—(1) For the purposes of this regulation—

- (a) “replacement order” means an order which revokes and re-enacts another order, but has no other effect,

(4) Where by virtue of this regulation a replacement order comes into force on the day it is made in so far as it revokes a previous order, regulation 13 shall nevertheless apply to the replacement order in so far as it has any other effect.

Re-enactment of orders which in exceptional circumstances have been revoked before publication

23.—(1) In this regulation, “revocation order” and “previous order” have the same meaning as in regulation 22.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations lay down the procedure to be followed by the Secretary of State for Transport and the Secretary of State for Wales in connection with the making by them of the main types of traffic and parking place orders under the Road Traffic Regulation Act 1984. The Regulations restate with modifications the procedures formerly set out in the Secretary of State's Traffic Orders (Procedure) (England and Wales) Regulations 1986 (S.I.1986/180). Apart from some changes of substance, referred to below, the drafting has been modified to reflect the provisions of the Local Authorities' Traffic Orders (Procedure) (England and Wales) Regulations 1989 (S.I. 1989/1120).

Regulation 3 specifies the orders to which the Regulations apply. These include traffic regulation orders, experimental traffic orders, speed limit orders in respect of trunk roads, and orders being made in respect of non-trunk roads whether under section 22, as read with section 132, of the 1984 Act, (countryside road orders) or under the reserve powers of the Secretaries of State by virtue of paragraph 3 or under paragraph 7 of Schedule 9 to that Act.

Regulations 4 to 11 lay down the procedure to be followed before the order is made. They provide for preliminary consultation (regulation 5), publication of the proposals (regulation 6), objections to the order (regulations 7 and 10), public inquiries (regulations 8 and 9) and the modification of proposals (regulation 11).

Regulations 12 to 14 contain requirements about the commencement date of the order and notification thereof.

Regulation 15 makes provision for the erection of traffic signs to convey information as to the effect of the order.

Regulations 16 to 21 deal with the procedures for consolidation orders (regulation 16), minor orders (regulation 17), experimental traffic orders (regulations 18 and 19), reserve power orders (regulation 20) and making of orders in part (regulation 21).

Regulations 22 and 23 contain requirements for the revocation and re-enactment of orders in exceptional circumstances.

Regulation 24 makes transitional provision for orders published before the coming into force of these Regulations.

Schedules 1 to 3 contain particulars of the details to be included in the press notice of an order, of the requirements as to display of notices of an order in the road itself, and of the requirements about making documents relating to an order available for public inspection.

Schedule 4 Parts I—IV list the minor variations to an order to which regulations 16 and 17 apply. These waive the Secretary of State's obligations for consultation, publication and consideration of objections in certain cases. Part V relates specified unladen weights to corresponding maximum gross weights of vehicles for the purposes of Part I.

The main modifications made by these Regulations are as follows—

- (i) a relaxation of the requirement in respect of street notices — obligatory only where the Secretary of State considers it desirable for publicity purposes (regulation 6(1)(d) and regulation 8(2)(e));
- (ii) provision for a minimum period of 21 days for objections (regulation 7(2)(b));
- (iii) a new requirement to notify the fire authority of a made order (regulation 14(1)(a));

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (iv) a new requirement to maintain traffic signs for the duration of the order (regulation 15(1)(b));
- (v) new provisions for the making of orders in part (regulation 21) and for the revocation and re-enactment of orders where, in exceptional cases, the publication requirements of regulation 14 cannot be met (regulations 22 and 23);
- (vi) a new requirement to include a suitable map among the documents to be made available for public inspection (Schedule 3).
