The Route of the new trunk road is a route at Mold in the County of Clwyd as follows:—

A route about 5.82 kilometres starting at a point on the trunk road about 340 metres south-west of its junction with Upper Bryn Coch Lane extending in an east then north-easterly direction to a point on the trunk road about 380 metres east of its junction with Bryn Lane.

SCHEDULE 2

LENGTH OF TRUNK ROAD CEASING TO BE A TRUNK ROAD

The length of trunk road ceasing to be a trunk road is that length of the trunk road which is situated between a point 340 metres south-west of its junction with Upper Bryn Coch Lane extending for about 472 kilometres to a point about 380 metres east of its junction with Bryn Lane.

EXPLANATORY NOTE

(This note is not part of the Order)

This Order revokes an Order made under sections 7 and 44 of the Highways Act 1959 (c. 25), and section 27 of the Local Government Act 1966 (c. 42), and section 68 of the Highways Act 1971 (c. 41), which provided for a by-pass of the Dolgellau—South of Birkenhead Trunk Road at Mold.

In its place, this Order lays down the centre line of a proposed trunk road which if constructed would allow for a by-pass of the Dolgellau—South of Birkenhead Trunk Road (A494) at Mold.

The Order provides for the de-trunking of the length of the trunk road which would be superseded if the by-pass described above is constructed. The superseded length would be a classified road maintainable by the local highway authority.
