

SCHEDULE

MODIFICATIONS OF THE ACT OF 1979

PART V of the Act of 1979: Control of Exportation

16. Section 67(1) (offences in relation to exportation of goods) shall have effect as if goods which have been loaded or retained on any vehicle for exportation through the tunnel were goods loaded or retained on board an aircraft for exportation and the references to the aircraft and to the commander of the aircraft shall be construed respectively as including references to the vehicle and to the person in charge of the vehicle.
