## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations, which come into force on 1st January 1991, amend the National Health Service (General Medical and Pharmaceutical Services) (Scotland) Regulations 1974 (“the principal Regulations”) which make the arrangements whereby doctors and chemists provide general medical services and pharmaceutical services under the National Health Service (Scotland) Act 1978.

In general the Regulations amend provisions of the principal Regulations in relation to arrangements for the provision of pharmaceutical services.

Regulation 2 introduces the meaning of “minor relocation” and regulation 3 contains amendments that regulate the procedure for dealing with applications for minor relocation of pharmacy premises including the use of a special application form for such applicants.

Regulation 4 amends the principal Regulations to provide that where a Board approves an application for a minor relocation the name of the applicant can be included in the provisional pharmaceutical list. (The provisions relating to the provisional pharmaceutical list are in regulation 28A of the principal Regulations.)

Regulation 5 deletes one substance from, and adds other substances to, Schedule 2A to the principal Regulations which lists drugs and other substances which cannot be supplied by doctors, or prescribed for supply under pharmaceutical services.

Regulation 6 introduces a new form to be used for applications for minor relocation and effects consequential and minor amendments to the wording of other forms used in connection with applications for entry to pharmaceutical lists.

Regulation 7 makes minor amendments to Schedule 3A to the principal Regulations in relation to the procedure for appeals and regulation 8 makes transitional provisions in relation to applications and appeals made on or before 31st December 1990.
