(a) 1968 c.27; section 6 was amended by section 20 of the Firearms (Amendment) Act 1988 (c.45).  
(b) S.I. 1975/760.

**EXPLANATORY NOTE**

*(This note is not part of the Order)*

This Order is made under section 6 of the Firearms Act 1968 ("the 1968 Act"), as amended by section 20 of the Firearms (Amendment) Act 1988 ("the 1988 Act"), and replaces the Firearms (Removal to Northern Ireland) Order 1975. The Order prohibits the removal from Great Britain to Northern Ireland of firearms and ammunition to which section 1 of the 1968 Act applies unless the removal is authorised by the chief officer of police for the area from which they are to be removed. In addition, reflecting certain new provisions made by section 20 of the 1988 Act, the Order prohibits any such removal unless it is also authorised by the Chief Constable of the Royal Ulster Constabulary and complies with such conditions as may be imposed by the chief officer in question or by the Chief Constable. Unlike the 1975 Order this Order does not apply to shot guns or ammunition for shot guns. The Order does not prohibit the holder of a firearm certificate from carrying with him any firearm or ammunition authorised to be so carried.

**EXPLANATORY NOTE**

*(This note is not part of the Order)*

This Order brings into force on 8th January 1991 those provisions of the Roads (Scotland) Act 1984 which are not already in force.

This Order brings into force sections 36 to 40 of the Roads (Scotland) Act 1984 in respect of all the areas in Scotland other than the areas of Tayside and Lothian Regional Councils. Sections 36 to 40 were brought into force in respect of the areas of Tayside and Lothian Regional Councils on 1st August 1989 by the Roads (Scotland) Act 1984 (Commencement No.2) Order 1989 (S.I. 1989/1094). These sections provide for the construction of road humps and make provision for prior consultation and other procedures relating to proposals by road authorities to construct road humps. They also empower the Secretary of State to make Regulations concerning the construction and maintenance of road humps and the status of road humps which conform to such Regulations.
