8. The like provisions as are contained in sections 113(1B) and (3) and 114(2) of the Taxes Management Act 1970<sup>(8)</sup> shall apply to a determination or a notice of a determination under Schedule 16A as if the determination were an assessment and the notice of the determination were a notice of an assessment.

(4) An appeal may be brought against the decision of the Board on the claim, by giving written notice to the Board within 30 days of receipt of written notice of that decision and the Special Commissioners shall hear and determine the appeal in accordance with the principles to be followed by the Board in determining claims under this regulation; and either the appellant or the Board shall be entitled to require a case to be stated under the like provisions as are contained in section 56
