

## SCHEDULE 3

### PART I

#### INFORMATION TO BE SUPPLIED WITH COMMUNITY CHARGE DEMAND NOTICES

**11.** The estimate of—

- (a) the Common Council of the average number of staff employed or to be employed by it in its capacity as a local authority, police authority, or port health authority; and
- (b) each relevant precepting authority of the average number of staff employed or to be employed by it,

with respect to the relevant year and the year preceding the relevant year (expressed in the case of part-time staff in full-time equivalents), and a general explanation by the Council or authority concerned of the reason for any difference between the two.
