1991 No. 2487

The National Health Service (Optical Charges and Payments) (Scotland) Amendment (No.2) Regulations 1991

Amendment of regulation 1 of the principal Regulations

2. In regulation 1(2) of the principal Regulations (interpretation) for the definition of “NHS sight test fee” there is substituted the following definition—

““NHS sight test fee” means, in relation to a testing of a patient’s sight carried out either by an ophthalmic medical practitioner or by an optician—

- (a) at a place where the patient normally resides, an amount of £32.15p; or
- (b) in any other case, an amount of £12.15;”.
