**1991 No. 2542**

**HIGHWAYS, ENGLAND AND WALES**

**The Neath–Abergavenny Trunk Road (A465) (Improvement from Aberdulais to Glynneath and Slip Roads) Order 1991**

*Made - - - - 1st November 1991*

*Coming into force - - 28th November 1991*

The Secretary of State for Wales makes this Order in exercise of powers conferred by sections 10, 12, 41 and 106 of the Highways Act 1980(1) and of all other enabling powers:–

1. The new highways which the Secretary of State proposes to construct–
  - (a) along the route described in Schedule 1 to this Order (the highway along this route being in this Order referred to as “the main new trunk road”); and
  - (b) along the route described in Schedule 2 to this Order (the highway along this route being in this Order referred to as “the slip road”

shall become trunk roads as from the date when this Order comes into force.

2. The centre lines of the new trunk roads are indicated by heavy black lines on the deposited plan.
3. The Secretary of State directs as respects of any part of a highway which crosses the route of any of the new trunk roads that–
  - (a) where the highway is maintainable at the public expense by a local highway authority, the part in question shall be maintained by that authority; and
  - (b) where the highway is not a highway so maintainable and is not maintainable under a special enactment or by reason of tenure, enclosure or prescription, the Secretary of State shall be under no duty to maintain the part in question,

in either case, a date to be specified in a notice given by the Secretary of State to the highway authority for that highway. The date specified will not be later than the date on which the relevant route is opened for the purpose of through traffic.

4. The length of the trunk road described in Schedule 3 to this Order and shown by broad striped hatching on the deposited plan shall cease to be a trunk road and shall be classified as a principal road, as from the date on which the Secretary of State notifies the County Council of West Glamorgan that the new trunk roads are open for through traffic.

5. The Secretary of State is authorised to construct the bridge specified in Schedule 4 to this Order as part of the main new trunk road.

6. In this Order:—

- (1) All measurements of distance are measured along the route of the relevant highway;
- (i) “the deposited plan” means the plan numbered HA10/2–WO79 marked  
“The Neath–Abergavenny Trunk Road (A465) (Improvement from Aberdulais to Glynneath and Slip Roads) Order 1991” signed by authority of the Secretary of State and deposited at the Welsh Office Repository, Curran Embankment, Cardiff;
- (ii) “the existing roundabout” means the roundabout known as Aberdulais Inter change on the trunk road;
- (iii) “the main trunk road” and “the slip roads” have the meanings given in article 1 of this Order;
- (iv) “the new trunk road” means the new highways mentioned in article 1 of this Order;
- (v) “principal road” as a classification for a highway, means that the highway is a principal road for the purposes of enactments and instruments which refer to high way classified as principal roads and is also classified for the purpose of every other enactment and instrument which refers to highways classified by the Secretary of State; and
- (vi) “the trunk road” means the Neath–Abergavenny Trunk Road (A465).

7. This Order shall come into force on 28th November 1991 and may be cited as the Neath–Abergavenny Trunk Road (A465) (Improvement from Aberdulais to Glynneath and Slip Roads) Order 1991.

by authority of the Secretary of State

Dated the 1st November 1991

*Philip R. Marsden*  
A Grade 6 Officer in the Welsh Office

## SCHEDULE 1

### ROUTE OF THE MAIN NEW TRUNK ROAD

The route of the main new trunk road is a route some 13.55 kilometres in length starting at a point 165 metres south-west of Dulais Farm, Aberdulais and terminating at a point 320 metres southwest of Bethel Baptist Chapel, High Street, Glynneath.

## SCHEDULE 2

### ROUTE OF THE SLIP ROAD

The route of the slip road is the following:—

A route some 400 metres in length starting at a point on the existing roundabout at Aberdulais 156 metres south-west of Dulais Farm, and running in a generally north-easterly direction to meet the main new trunk road at a point 205 metres north-east of Dulais Farm, (this route being given the letter A on the deposited plan).

## SCHEDULE 3

### LENGTH OF THE TRUNK ROAD CEASING TO BE TRUNK ROAD

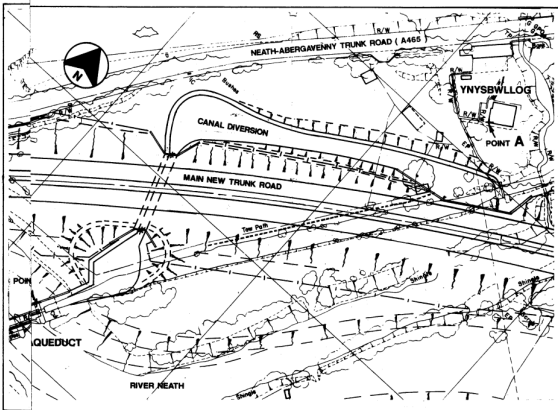

The lengths of road ceasing to be a trunk road:—

1. that length of the trunk road some 1.3 kilometres in length and including the existing roundabout, starting at a point 260 metres south-west of Dulais Farm, Aberdulais and terminating at its junction with the A4109 near Aberdulais.

2. that length of the trunk road some 12.07 kilometres in length starting at its junction with the A4190 and terminating at its junction with the B4242 at Glynneath.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

**SCHEDULE 4**

**KEY PLAN**

**LAY-OUT PLAN OF NEATH CANAL CROSSING**

**SPECIFICATION**
