## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations which come into force on 28th May 1992 amend the Education (Grant-maintained Schools) (Finance) Regulations 1992 (“the 1992 Regulations”).

The Regulations substitute for the reference in the table in regulation 2(2) to regulation 15(5) (as being the provision explaining the meaning of “relevant expenditure” for the purposes of the 1992 Regulations) a reference to regulation 15(4).

The Regulations substitute for the reference in regulation 5(5) to regulation 5(2) a reference to regulation 5(1) so as to make clear that the reference to any formula in that provision is a reference to the allocation formula in the former maintaining authority’s scheme for local management of schools.

The Regulations also amend regulations 9 and 10. Regulation 9 provides, in any case where the amount of the percentage addition is to be determined under regulation 8, for that amount to be no less than the amount determined in respect of a school for the financial year ending on 31 March 1992. The Regulations amend regulations 9 and 10 so that regulation 9 also applies in any case where the amount of the percentage addition is to be determined under regulation 10.
