The Electromagnetic Compatibility Regulations 1992

PART II

APPLICATION

Specific exclusions

Military equipment

20.—(1) These Regulations do not apply to military equipment.

(2) In this regulation, “military equipment ” means apparatus which is designed for use as arms, munitions and war material within the meaning of Article 223.1(b) of the Treaty establishing the European Economic Community (notwithstanding that it may be capable of other applications), but does not include apparatus which is designed both for such use and for other applications.
