

SCHEDULE 1

PROHIBITED GOODS—MISCELLANEOUS

PART III

1. Materials, Chemicals, Microorganisms and Toxins

Equipment, Assemblies and Components

1A

Test, Inspection and Production Equipment

1B

Materials

1C

Software

1D

Technology

1E

2. Materials Processing

Equipment, Assemblies and Components

2A

Test, Inspection and Production Equipment

2B

Materials

2C

Software

2D

Technology

2E

3. Electronics

Equipment, Assemblies and Components

3A

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Test, Inspection and Production Equipment

3B

Materials

3C

Software

3D

Technology

3E

4.Computers

4A Equipment, Assemblies and Components

Test, Inspection and Production Equipment

4B

Materials

4C

Software

4D

Technology

4E

5.Telecommunications and Information Security

Telecommunications

Part 1

Equipment, Assemblies and Components

5A1

Test, Inspection and Production Equipment

5B1

Materials

5C1

Software

5D1

Technology

5E1

Information Security

Part 2

Equipment, Assemblies and Components

5A2

Test, Inspection and Production Equipment

5B2

Materials

5C2

Software

5D2

Technology

5E2

6.Sensors and Lasers

Equipment, Assemblies and Components

6A

Test, Inspection and Production Equipment

6B

Materials

6C

Software

6D

Technology

6E

7.Navigation and Avionics

Equipment, Assemblies and Components

7A

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Test, Inspection and Production Equipment

7B

Materials

7C

Software

7D

Technology

7E

8.Marine

Equipment, Assemblies and Components

8A

Test, Inspection and Production Equipment

8B

Materials

8C

Software

8D

Technology

8E

9.Propulsion Systems, Space Vehicles and Related Equipment

Equipment, Assemblies and Components

9A

Test, Inspection and Production Equipment

9B

Materials

9C

Software

9D

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.
