## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend Part I of Schedule 1 to the Regional and District Health Authorities (Membership and Procedure) Regulations 1990 which lists District Health Authorities in England which are to have at least one non-officer member who holds a post in a university with a medical or dental school.

In consequence of the abolition of Camberwell Health Authority, Lewisham and North Southwark Health Authority and West Lambeth Health Authority and the establishment of a new South East London Health Authority, the entry “South East London Health Authority” replaces the entries “Camberwell Health Authority”, “Lewisham and North Southwark Health Authority” and “West Lambeth Health Authority”.
