**1992 No. 588**

**The Controlled Waste Regulations 1992**

**Waste not to be treated as household waste**

**3.—**(1) Waste of the following descriptions shall not be treated as household waste for the purposes of section 33(2) (treatment, keeping or disposal of household waste within the curtilage of a dwelling)—

- (a) any mineral or synthetic oil or grease;
- (b) asbestos; and
- (c) clinical waste.

(2) Scrap metal shall not be treated as household waste for the purposes of section 34 at any time before 1st April 1993.
