EXPLANATORY NOTE

(This note is not part of the Order)

This Order makes mainly small changes in Greater London and the county of Surrey, affecting the boundary of the London borough of Sutton with—

- (a) the county of Surrey (boroughs of Epsom and Ewell, and Reigate and Banstead); and with
- (b) the London borough of Croydon. It also makes one small change to the boundary between Surrey (borough of Reigate and Banstead) and the London borough of Croydon. Consequential alterations to local government electoral areas, petty sessional divisions and coroners' districts are made. No parishes are affected.

The transfers effected are described in the Table at the end of this Note, which also gives in approximate terms the total area and population of the areas transferred. The Table is a general guide only to the changes, and the maps mentioned in article 2 should be inspected for full details of all transfers. Any person may inspect the maps at any reasonable time at the offices of the council for each borough affected, and additionally at the offices of the Secretary of State for the Environment located in 2, Marsham Street, London SW1P 3EB.

The Local Government Area Changes Regulations 1976 contain general provisions regarding the effect of orders such as this one.
