1993 No. 357

ANIMALS

ANIMAL HEALTH

**The Poultry Laying Flocks (Testing and
Registration etc.) (Revocation) Order 1993**

Made - - - - 24th February 1993

Coming into force in accordance with article 1

The Minister of Agriculture, Fisheries and Food, the Secretary of State for Scotland and the Secretary of State for Wales, acting jointly, in exercise of the powers conferred on them by sections 1 and 72 of the Animal Health Act 1981(1), and of all other powers enabling them in that behalf, hereby make the following Order:—

Title and commencement

1. This Order may be cited as the Poultry Laying Flocks (Testing and Registration etc.) (Revocation) Order 1993 and shall come into force on the day after the day on which it is made.

Revocation

2. The Poultry Laying Flocks (Testing and Registration etc.) Order 1989(2) and the Poultry Laying Flocks (Testing and Registration etc.) (Amendment) Order 1990(3) are revoked.

In witness whereof the Official Seal of the Ministry of Agriculture, Fisheries and Food is hereunto affixed on

L.S.

24th February 1993.

John Selwyn Gummer
Minister of Agriculture, Fisheries and Food

(1) 1981 c. 22; as applied by S.I.1989/285; see section 86(1)(c) for the definition of “the Ministers”.
(2) S.I. 1989/1964.
(3) S.I. 1990/348.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

23rd February 1993

Hector Monro
Parliamentary Under Secretary of State, Scottish
Office

24th February 1993

David Hunt
Secretary of State for Wales

Status: *This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

EXPLANATORY NOTE

(This note is not part of the Order)

This Order revokes the Poultry Laying Flocks (Testing and Registration etc.) Order 1989 and the Poultry Laying Flocks (Testing and Registration etc.) (Amendment) Order 1990 which provided for the testing of samples from and registration of flocks of domestic fowls kept for the production of eggs for human consumption. They also provided for various requirements relating to the collection and handling of eggs from such flocks and the control of vermin.
