## PART II

### *Burial on a separate occasion*

1. The fee for a burial in a churchyard on a separate occasion means on any occasion other than immediately following a service in church, for example the interment of cremated remains.

### *Burial of infant*

2. No fee is payable in respect of the burial of a still-born infant, or for the funeral or burial of an infant dying within the period of one year after birth.

### *Funeral service*

3. If a full funeral service is held at the graveside the incumbent's fee is increased to that payable where the service is held in church.

### *Cremated remains in churches or closed churchyards*

4. Where cremated remains are buried in or under a church or in a closed churchyard, the fees payable to the incumbent and the parochial church council are:

- (i) where burial is authorised by a general faculty, the same as those laid down in Part I of this table for burial in a churchyard;
- (ii) where burial is authorised by a particular faculty, such sums as may be determined by the chancellor.

### *Monuments in churchyards*

5. The fees marked (6) include fees for the original inscription. Where a monument in a churchyard is erected or an additional inscription on a monument is made **under the authority of a particular faculty**, the fees payable to the incumbent and the parochial church council or either of them shall be such sums as may be determined by the chancellor who shall specify the persons entitled to receive them.

### *Monuments in churches*

6. Where a faculty is granted in connection with the erection of a monument or tablet in a church or any additional inscription thereon, the fees payable to the incumbent and the parochial church council or either of them shall be determined by the chancellor who shall specify the persons entitled to receive them.

---

(6) See PART II para. 5.

**Status:** This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

*The incumbent's fees*

7. Unless the incumbent has signed a Deed of Assignment in favour of the Diocesan Board of Finance he may direct either generally or in particular cases that all or part of any fee which would otherwise be payable to him shall be payable to the minister performing the service or duty.

*Reservation of grave space: vaults*

8. Payment of any of the fees prescribed by this table does not confer any right to construct a new vault or an exclusive right to a grave or vault. Where a faculty is granted conferring rights for a period specified in the faculty, the fees payable to the incumbent and the parochial church council or either of them shall be determined by the chancellor who shall specify the persons entitled to receive them.

*Searches in Church Registers, etc*

9. The search fee relates to a "particular search" where the approximate date of the baptism, marriage or burial is known. The fee for a more general search of a church register would be negotiable with the incumbent and the parochial church council.

*Services in crematoria and unconsecrated cemeteries*

10. The Church of England (Miscellaneous Provisions) Measure 1992 contains a provision which has the effect of requiring a minister of a parish, if requested, to perform a funeral service for defined parishioners in any appropriate crematorium or unconsecrated cemetery. The fees prescribed by this table for such services (which are identical in amount for services held in consecrated cemeteries) are mandatory except where a local authority or other crematorium authority has fixed charges for these services in which case the authority's charges will apply.

---

**EXPLANATORY NOTE**

*(This note is not part of the Order)*

Article 1 and the Schedule establish a new table of fees payable for certain matters in connection with baptisms, marriages and burials, for the erection of monuments in churchyards and for other miscellaneous matters. The fees are in substitution for fees prescribed by the Parochial Fees Order 1993.
