1995 No. 1483

AGRICULTURE

PESTICIDES

The Pesticides (Maximum Residue Levels in Crops, Food and Feeding Stuffs) (Amendment) Regulations 1995

<i>Made</i>	- - - -	<i>18th May 1995</i>
<i>Laid before Parliament</i>		<i>9th June 1995</i>
<i>Coming into force</i>	- -	<i>30th June 1995</i>

The Minister of Agriculture, Fisheries and Food and the Secretary of State, being Ministers designated⁽¹⁾ for the purposes of section 2(2) of the European Communities Act 1972⁽²⁾ in relation to the common agricultural policy of the European Community, acting jointly in exercise of the powers conferred on them by the said section 2(2) and of all other powers enabling them in that behalf, hereby make the following Regulations.

Title and commencement

1. These Regulations may be cited as the Pesticides (Maximum Residue Levels in Crops, Food and Feeding Stuffs) (Amendment) Regulations 1995 and shall come into force on 30th June 1995.

Meaning of “the principal Regulations”

2. In these Regulations the expression “the principal Regulations” means the Pesticides (Maximum Residue Levels in Crops, Food and Feeding Stuffs) Regulations 1994⁽³⁾.

Amendment of the principal Regulations

3. The principal Regulations shall be amended as follows.

4. In paragraph (4) of regulation 5 of the principal Regulations for the words “Section 19” there shall be substituted the words “Sections 19 and 22”.

5. The pesticides stated in column 1 of Schedule 1 hereto shall be inserted in column 1 of Schedule 1 to the principal Regulations in their appropriate alphabetically ordered positions and,

(1) S.I. 1972/1811.
(2) 1972 c. 68.
(3) S.I. 1994/1985.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

in relation to each such pesticide, there shall be entered in column 2 of Schedule 1 to the principal Regulations the residues stated in column 2 of Schedule 1 hereto opposite that pesticide.

6. In Part 1 of Schedule 2 to the principal Regulations the four maximum levels of 1 milligramme of Metalaxyl per kilogramme of product specified for the products Apples, Pears, Quinces and Other Pome Fruits shall be deleted.

7. In Part 2 of Schedule 2 to the principal Regulations the maximum level of 0.02* milligrammes of Iprodione per kilogramme of product specified for the product Lemons shall be deleted and the maximum level of 0.02* milligrammes of Iprodione per kilogramme of product shall be inserted for the product Grapefruit.

8. In Part 2 of Schedule 2 to the principal Regulations the maximum level of 0.05* milligrammes of Cypermethrin per kilogramme of product specified for the product Spring onions and the maximum level of 0.05* milligrammes of Deltamethrin per kilogramme of product specified for the product Figs shall be deleted.

9. In Part 2 of Schedule 2 to the principal Regulations there shall be inserted, in the appropriate place to preserve the alphabetical ordering from left to right, references to each pesticide stated at the head of a column in Schedule 2 hereto together with the figures stated below the statement of that pesticide so that those figures will appear opposite such groups of products or such individual products in Part 2 of Schedule 2 to the principal Regulations as they appear opposite those products in Schedule 2 hereto.

Extent

10. These Regulations do not extend to Northern Ireland.

18th May 1995

Angela Browning
Parliamentary Secretary, Ministry of Agriculture,
Fisheries and Food

Scottish Office
18th May 1995

Hector Monro
Parliamentary Under Secretary of State,

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 1

Regulation 5

<i>Column 1 PESTICIDE</i>	<i>Column 2 RESIDUES</i>
Benalaxyl	benalaxyl
Benfuracarb	benfuracarb
Carbofuran	sum of carbofuran and 3-hydroxy-carbofuran expressed as carbofuran
Carbosulfan	carbosulfan
Cyfluthrin	cyfluthrin, including other mixed isomeric constituents (sum of isomers)
Daminozide	sum of daminozide and 1,1-dimethyl-hydrazine expressed as daminozide
Ethephon	ethephon
Fenarimol	fenarimol
Furathiocarb	furathiocarb
Lambda-cyhalothrin	lambda-cyhalothrin
Propiconazole	propiconazole

SCHEDULE 2

Regulation 9

<i>Group to include which the food following belongs to</i>	<i>Benalaxyl</i>	<i>Benfuracarb</i>	<i>Carbofuran</i>	<i>Carbosulfan</i>	<i>Cyfluthrin</i>	<i>Daminozide</i>	<i>Ethephon</i>	<i>Fenarimol</i>	<i>Furathiocarb</i>	<i>Lambda-cyhalothrin</i>	<i>Propiconazole</i>
---	------------------	--------------------	-------------------	--------------------	-------------------	-------------------	-----------------	------------------	---------------------	---------------------------	----------------------

1. Fruit, fresh, dried or uncooked, preserved by freezing not containing added sugar: nuts

FOOTNOTES:

- (X) As from 1st January 1996.
- (1) Paddy or rough rice, husked rice and semi-milled or wholly milled rice.
- (2) Other cereals do not include rice.
- (3) Levels are measured on fat, except in the case of foods with a fat content of 10% or less by weight. In these cases the residue is related to the total weight of the boned foodstuff and the MRL is one tenth of the value given in the table, but must be no less than 0.01 mg/kg.
- (4) These levels are for fresh raw cow's milk and fresh whole cream cow's milk expressed on the whole milk.
- (5) For preserved, concentrated or sweetened cow's milk; for raw milk and whole cream milk of another animal origin; and for butter, cheese or curd whether made from cow's milk or other milk or a combination, the following levels apply:
 - if the fat content is less than 2% by weight, the MRL is taken as half that set for raw milk and whole cream milk;
 - if the fat content is 2% or more by weight, the MRL is expressed in mg/kg of fat and is set at 25 times that set for raw milk and whole cream milk.
- (6) Birds' eggs in shell (other than eggs for hatching) and whole egg products and egg yolk products (whether fresh, dried or otherwise prepared).
- (7) All meat except poultry meat.
- (8) Poultry meat only.
- (9) All meat except liver and kidney.
- (10) Ruminant liver.
- (11) All meat except ruminant liver.
- (12) For animal products MRLs relate to cyhalothrin (sum of isomers).

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations, which do not extend to Northern Ireland, are made under section 2(2) of the European Communities Act 1972 and amend the Pesticides (Maximum Residue Levels in Crops, Food and Feeding Stuffs) Regulations 1994 (“the principal Regulations”) (S.I.1994/1985). They specify maximum levels of pesticide residues which may be left in crops, food and feeding stuffs in accordance with Council Directives [94/29/EC](#) (O.J. No. L189, 23.7.94, p.67) and [94/30/EC](#) (O.J. No. L189, 23.7.94, p.70). Maximum levels for these pesticide residues have not previously been imposed by Community Law.

Regulation 4 confers on those charged with offences relating to residues the subject of Community law requirements the same defence of due diligence as section 22 of the Food and Environment Protection Act 1985 confers on those charged with offences relating to residues the subject of domestic law requirements.

Regulation 6 removes maximum levels which were included in Part 1 of Schedule 2 to the principal Regulations by virtue of powers contained in the Food and Environment Protection Act 1985 (c. 48) and which are now included in Part 2 of that Schedule.

Regulation 7 implements a corrigenda amendment (O.J. No. L219, 24.8.94) to Council Directive [93/58/EC](#) (O.J. No. L211, 23.8.93) which was necessary because a maximum level of Iprodione which should have been specified for Grapefruit was specified for Lemons.

Regulation 8 removes maximum levels which are not required by Community law and should not have been included in Part 2 of Schedule 2 to the principal Regulations.

Schedule 2 to these Regulations include maximum levels for Carbendazim and Captafol which, except for tea, were not but should have been included in Part 2 of Schedule 2 to the principal Regulations.

Maximum levels in these Regulations which are followed by an * will, when inserted into Part 2 of Schedule 2 to the principal Regulations, connect with the explanation of that symbol given there.

The compliance cost assessment of the effect that this instrument would have on the cost of business is available in the Library of each House of Parliament.
